TOGETHER WE WORKED, LEARNED, AND PROSPERED

Through togetherness our school, community, and even our country have prospered this year.

Working together has contributed to the activities that have highlighted the school year. Moving to the new school March 11, the biggest event of this year, was completed successfully because of cooperation by everyone, making it possible to begin classes on March 15. By participating in the many extra curricular activities like sports, clubs, class and school projects, we have gained individual experience and a broader education.

Just as togetherness was important, individualism was not overlooked. Every individual has thoughts, ideas, and beliefs, and when these are combined with others, the end result is good. Leadership was a good example of this individualism.

Our club and class officers, student council, and sport leaders clearly illustrated how leadership and working together, a kind of "individualistic togetherness," brought us valuable learning experience.

Looking through the 1959-60 review of this school, it can be seen how working, learning, and playing together have made this the best year in the history of Hazel Park High School.

BOARD OF EDUCATION SECRETARIES: Mrs. Patricia Quick, Mrs. Elizabeth Terry, Mrs. Shirley Finley, Mrs. Ann Coveyou, Mrs. Linda Schlagel. Not pictured, Miss Pauline Mayo.

Mr. Wilfred D. Webb, superintendent of schools.

Mr. E. Paul Frampton, assistant superintendent of schools.

Mr. B.N. Grba, administrative assistant.

Hazel Park has always been fortunate in having a board of education and administration which has always been sympathetic to the needs of the students and teachers. This was proved this year when we moved into the new high school.

In addition to maintaining a top notch school district, 9 elementary schools, one junior high school, and one senior high school, our superintendent, Mr. Webb, was also well known to the student body. He always found time to come to the school and establish many friends with the students. Mr. Frampton, assistant superintendent, worked mainly with the financial problems of the schools, while Mr. Grba, administrative assistant, concerned himself with keeping a strict check on school population.

Dr. E.H. Miller, principal.

Good administration meant a good school

Mrs. B. Schoening, assistant principal.

As in any organization, success depends heavily on able leadership. In a high school this is provided in the principal's office. Under the leadership of Dr. Miller, Hazel Park High School worked continuously to improve education standards and to offer the best curriculum and facilities.

This year proved to be one of the most difficult because of the move to the new high school in the middle of the semester. Through cooperation and leadership this was completed with a minimum of confusion. As in any endeavor, the end product determines the success of an organization. At HP this will be reflected in the success of the many graduates who have attended HPHS under Dr. Miller's administration.

Mrs. Weichert helped Robert Jones with a schedule change.

Students received wise advice and guidance from our counselors

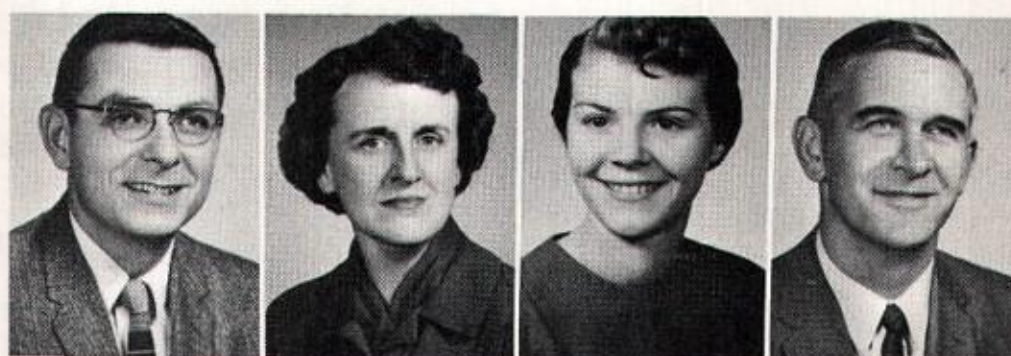

Helping students to help themselves was the specific aim of the counseling department. This was done through a system of accumulating as much information as possible about a student. Through testing and personal interviews, our counselors were able to provide the necessary information to help us make our educational and vocational choices.

COUNSELORS-- Mrs. Beryl Schoening, A.B., M.A., University of Michigan. JOB CO-ORDINATOR--Mr. Harold Richards, A.B., Hillsdale, Wayne State University, Eastern Michigan College.

Mr. Krupa, 12B counselor, consults the files for reference.

COUNSELORS-- Mr. Charles Stafford, B.A., Michigan State University, M.Ed., Wayne State University; Miss Elsaleen Blakely, A.B., Asbury College; Mrs. Lois Weichert, B.S., Central Michigan; Mr. Thomas Krupa, B.S., Western Michigan University, M.A., University of Michigan.

ENGLISH—Mrs. Gretchen Bennington, A.B., Hillsdale College; Mrs. Dorothy Wall, A.B., M.A., University of Michigan; Miss Blanche Hannafin, Ph.B., University of Chicago, M.A., University of Michigan; Mr. Thomas J. Krupa, B.S., Western University, M.A., University of Michigan; Miss Joyce Maierle, B.A., Michigan State University; Mr. Francis Weskel, M.Ed., B.S., Wayne State University; Miss Hope Smith, B.A., Michigan State University, M.A., University of Michigan.

In English we studied literature, speech, grammar

To be able to get along in life, we learned to communicate with others. As sophomores we took speech which enabled us to speak and express our ideas better before an audience. In Miss Hannafin's speech classes, students learned the mechanics of delivering a speech before their classmates through discussion groups.

Learning to express themselves on paper was one of the highlights of Mrs. Wall's English classes. Students prepared contracts using materials they studied from day to day.

To better acquaint themselves with outstanding English literature, students of Mr. Pratt's English VII classes enacted scenes from Shakespeare's tragedy, "Macbeth."

Craig Sanborn gave a book report to Mrs. Bennington's English V Class.

Mrs. Wall's English VI class worked on their contracts.

Bill Pearce gave a speech in Mr. Krupa's speech class.

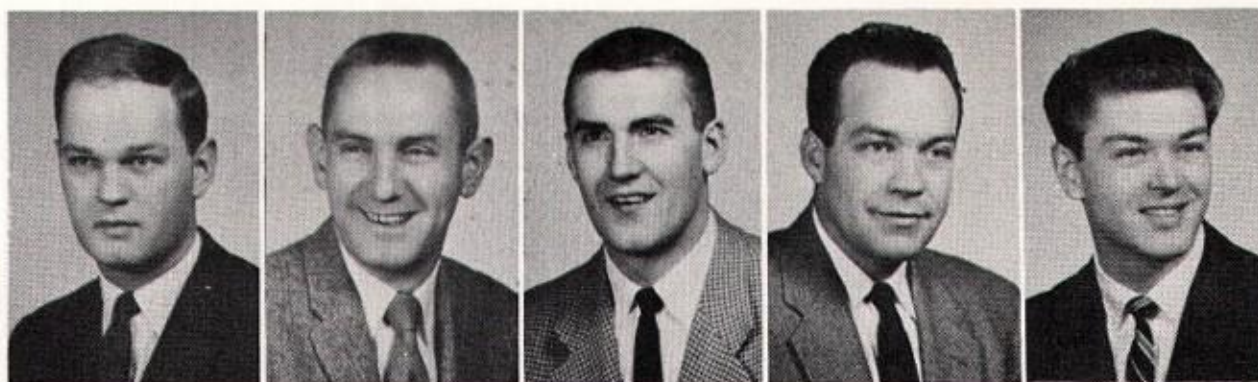

English - Miss Mafalda Martin, A.B., Depauw University; Mr. Jesse Pratt, A.B., Asbury College B.D., Southern Theological Seminary, M.E. University of Virginia; Mrs. Dorothy Rodenberg A.B. Lawrence College; Miss Margaretha Schalm, A.B. Western Michigan College, M.E. Wayne State University.

Group discussions were a part of Miss Hannafin's English classes.

A dramatic presentation of Macbeth was given in Mr. Pratt's English VII class.

SOCIAL STUDIES—Mr. Charles George, B.A., Michigan State University, M.A., Columbia University; Mr. Willis MacMillan, B.S., Central Michigan University; Mr. Richard Moseley, B.S., Eastern Michigan University; Mr. Thomas Purdy, A.B., Alma College, M.A., University of Michigan; Mr. Dahryl McClain, A.A., Graceland College, B.S., Eastern Michigan University.

Mr. Mosely explains our American heritage to his U.S. history class.

A United States history class portrayed the Jefferson administration by having a mock court. The lawyer (Donna Scott) stands by as the Bailiff (Gary Davis) swears in the witness (Richard Brace).

Mr. McClain explained the process of law-making to his advanced civics class.

Map work was an important part of class in the study of geography.

We learned of national events, now and past

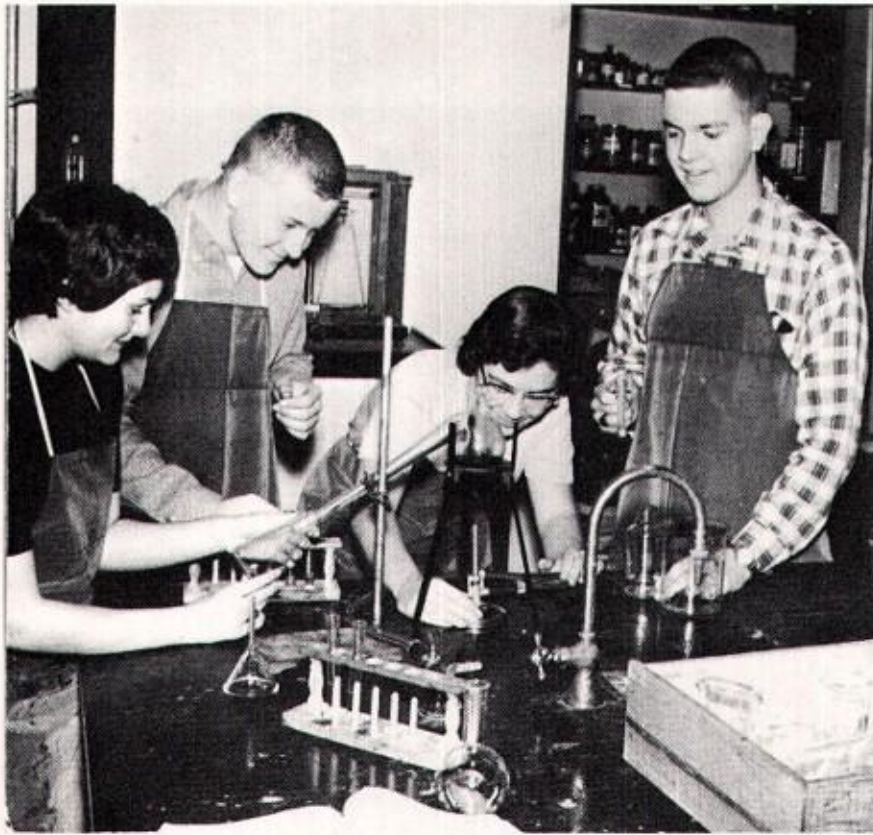

Students studied the world from the beginning of time in Mr. Zepp's world history class.

Social studies, which included United States and world history, geography, civics, vocations, and economics taught us many things about our government and other nations. Through a better understanding of the growth and responsibilities of our government, we derived a greater appreciation of the freedom of our democracy. Maps, movies, government pamphlets, school trios, and special guests were only a few of the teaching aids used.

SOCIAL STUDIES—Miss Gladys Davis, A.B., M.A., University of Michigan; Mr. Richard Sampson, B.S., East Stroudsburg State Teachers College, M.Ed., University of Detroit; Miss Irene Fink, B.A., Michigan State University, M.A., University of Michigan; Mr. William Zepp, B.S., Michigan State Normal; Mr. Harold Lakin, M.A., University of Detroit, B.S., Murray State College, M.S., Indiana University.

Liz Strotz, Pat Mahanes, Roberta Lilly, and Tom Thompson prepared a nitric acid experiment.

George Vrabel explained his insect collection to Jean Porter and his biology class.

The mysteries of science became known to us

Science, providing continued progress to all men, was termed a "must" in today's world. The need for scientists was ever increasing. In our science classes and labs, we were exposed to the wonders of the unknown through such courses as physics, chemistry, general science, and biology.

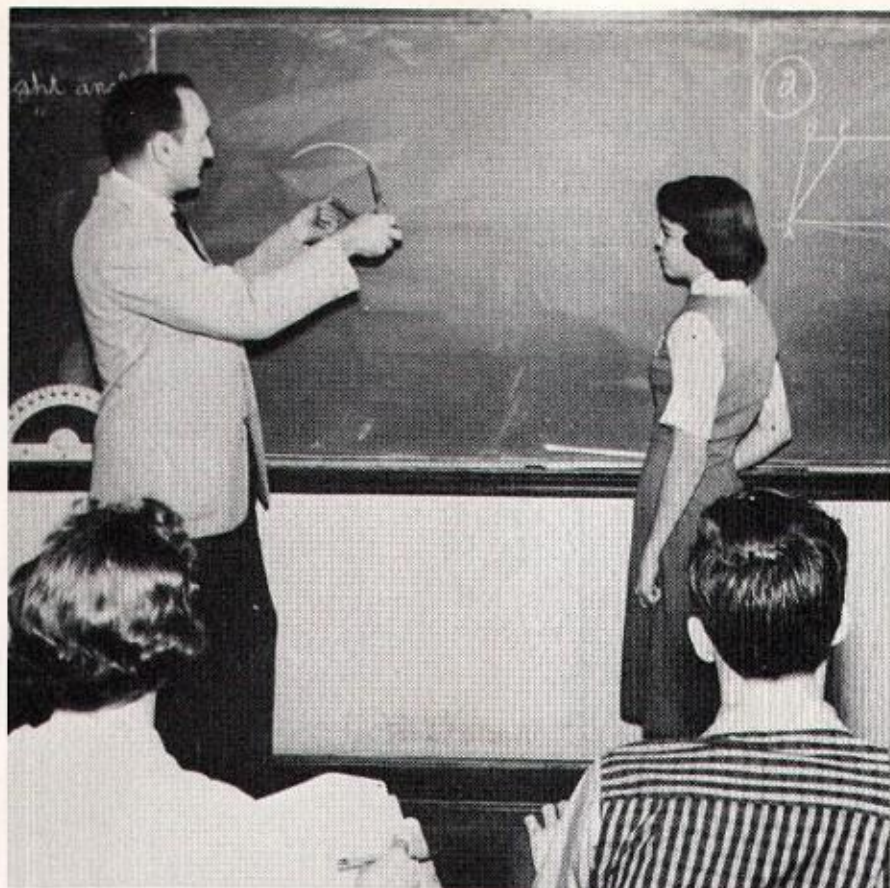

Our new school especially made science attractive with the new lab facilities and a fully equipped greenhouse.

SCIENCE—Mr. Robert R. Blackwell, A.B., Augustana College, Ed.M., Wayne State University; Mr. Allen Brenner, B.S., Central Michigan; Mr. James Miller, B.S., Wayne State University.

Jack Hocking and Connie Clancy look on as Chuck Sanner demonstrates and experiment in physics class.

Mr. Mikulas demonstrates the uses of the compass to Judy Eberhardt.

Math was stressed as a necessity

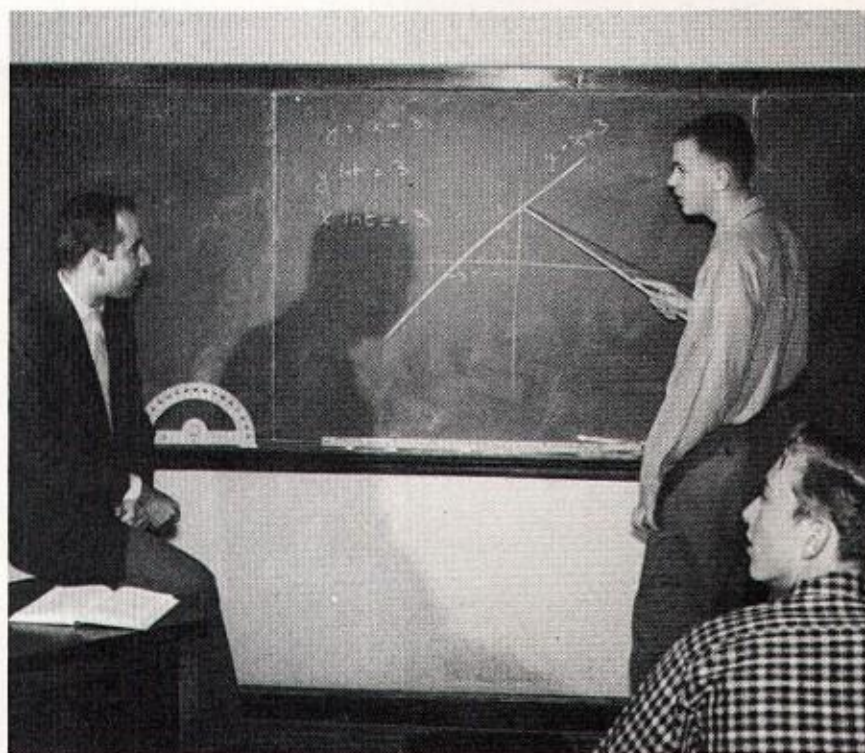

With the advent of the missile age, science and math received a great deal of emphasis the past few years. A workable knowledge of mathematics, therefore, became a necessity. Through prescribed math courses, students found their interests and vocations better realized with such computational training. Through logic and reasoning, math provided an invaluable aid in our becoming educated citizens.

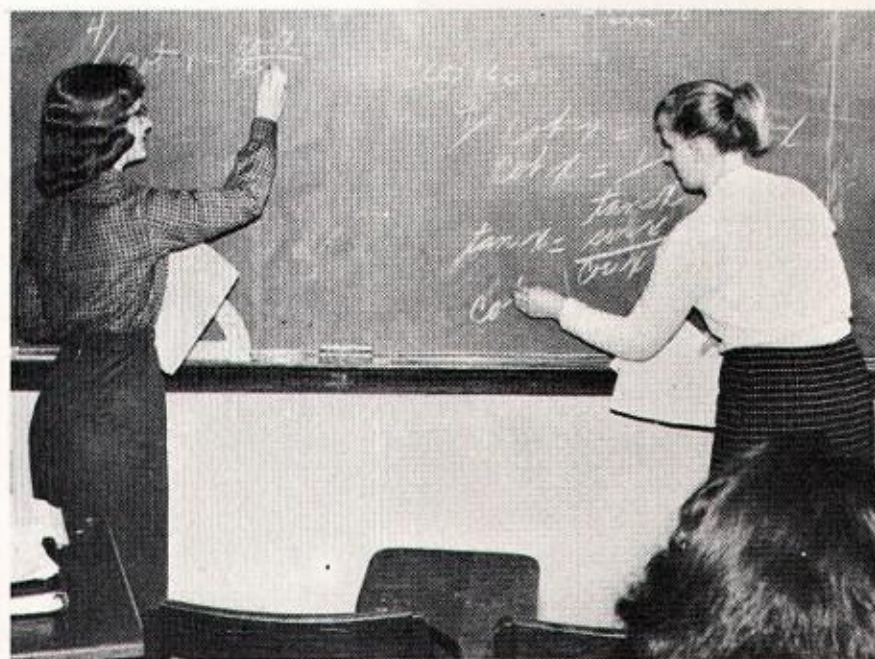

MATH—Mr. Ernest Gifford, B.A., Michigan State University; Mr. John Magiera, M.A. Hillsdale College; Mr. J. Walter Vaughan, A.B., B.S., University of Michigan.

MATH—Mr. Charles Mikulas, B.S., Western Michigan University; Mrs. Ada Stewart, B.A., Michigan State University, M.A., Wayne State University; Mr. Varoujan Ohanian, B.S., M.Ed., Wayne State University.

George Hakala explained the solution to a problem to Mr. Ohanian and his class.

Ollie Hylton and Connie Clancy figured out trig problems on the black board for the class.

INDUSTRIAL ARTS—Mr. Clarence Harm, B.S., Eastern Michigan College; Mr. Michael Jones, B.S., Eastern Michigan College; Mr. Oliver Helman, B.A., Northern Michigan College of Education; Mr. Ambrose Sikorski, B.S., Western Michigan University.

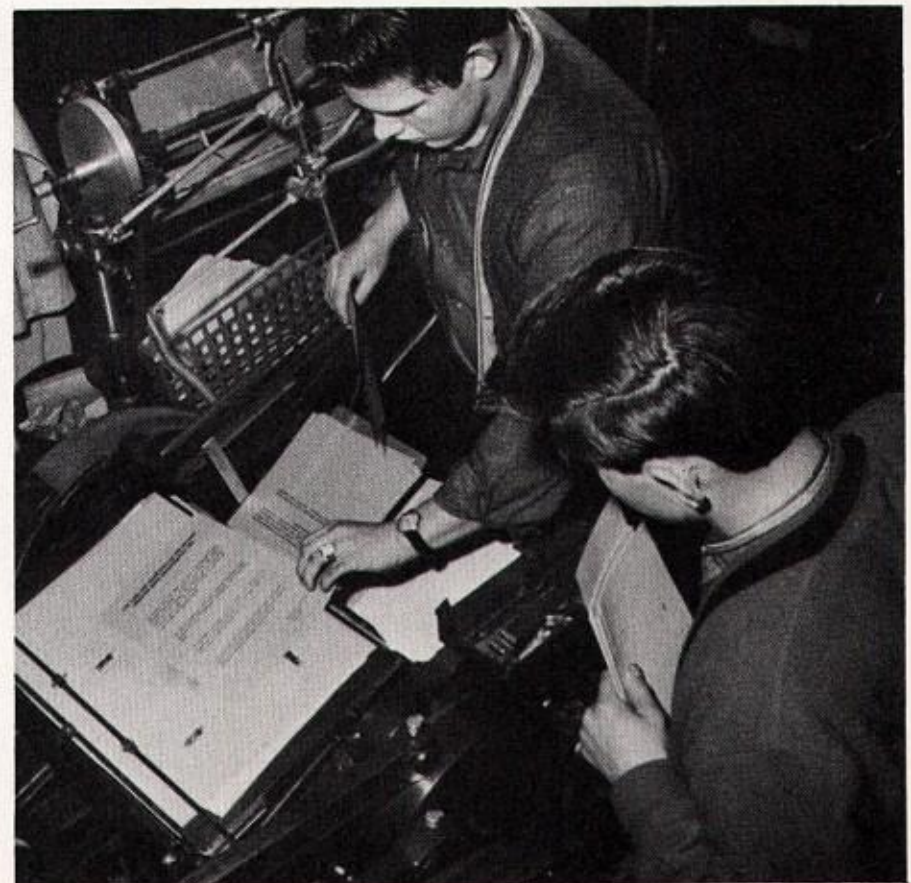

Jim Pittman instructed his fellow students Eric Fulton, Larry Troyanek and Tom Althouse on the operation of the lathe.

Skills for future occupations were developed

Our industrial arts program provided pre-vocational training as well as exploratory work in the trades. This year a new course, power mechanics, was offered providing training in small gasoline engines, such as outboard motors, power lawnmowers, and even automobile engines.

INDUSTRIAL ARTS—Mr. Melvin Smith, B.S., Eastern Michigan University; Mr. Robert Stevenson, B.S., Bradley University; Mr. Emerson Riggs, B.A., Eastern Michigan University, M.A., Wayne State University.

Print shop performed many services for the school during the year.

COMMERCIAL—Miss Nancy Sharp, B.S., Western Michigan College; Miss Anna Pearl Crawford, B.S., Northwestern University, M.E., Wayne State University; Mr. Eugene Guido, A.A., B.S., M.B.A., Eastern Michigan; Mr. James Olson, B.S., Central Michigan.

Students practiced with a dictaphone which reproduced dictation as they typed.

COMMERCIAL—Mr. Leland Faulmann, B.S., Eastern Michigan College, M.A., Eastern Michigan University; Mrs. Eleanor Willick, B.S., M.E., Wayne State University; Mr. Richard Rood, B.S.C., State University of Iowa; Mr. Richard Croteau, B.S., Western Michigan University.

Speed and accuracy were our goals in commercial courses

Providing vocational training suitable to the business world, the commercial department offered a variety of courses to prepare students for commercial jobs. Typing shorthand, bookkeeping, office machines, transcription, and, this year, a new course with electric typewriters was offered.

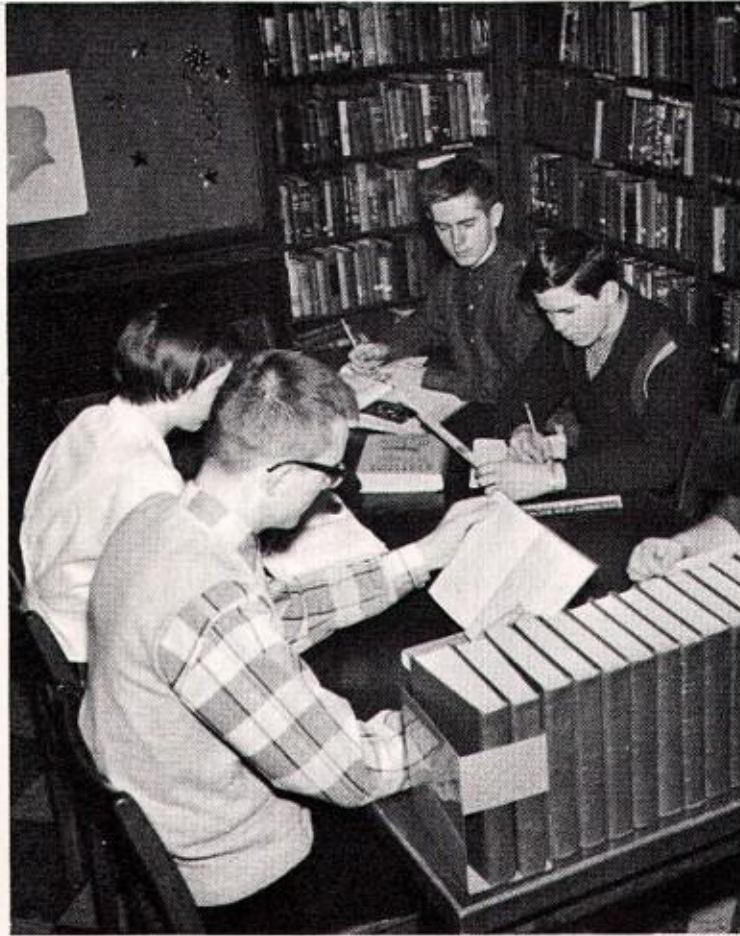

Speed and accuracy were important during a timed writing in Mr. Olsen's typing class.

LANGUAGE—Mr. Clifford Kraemer, A.B., M.A., University of Michigan; Miss Gertrude Cook, A.B., DePauw University, M.A., Wayne State University; Miss Eunice Crothers, Ph.B., University of Chicago, M.A., University of Michigan.

The use of the tape recorder was a valuable aid in language study.

Students took advantage of our library facilities.

Other lands became known to us through their languages

LIBRARY—Miss Ruth Huff, B.S., Wayne State University. JOURNALISM—Mr. Louis Silvasi, B.S., M.S., Indiana University.

Whether studying for an exam or just reading for pleasure, the students found the library to be very helpful and profitable. Miss Ruth Huff and her staff are always on hand to help the students choose a special book for a report or give a reference needed for homework research. The library has been an answer box for students puzzled over a homework question and a quiet place to read a good book.

Extra help for those who desired to seek it

SPECIAL EDUCATION—Mrs. Lois Weichert, B.S., Central Michigan; Mr. Leonard A. Gadzinski, B.A., Alma, M.S., Indiana University.

The basic goal for the Special Education classes was to meet the specific needs of the handicapped students at Hazel Park High School. More time was put into their studies to make the subject clearly understood. Mr. Leonard Gadzinski and Mrs. Lois Weichert worked to meet the needs of the students and planned the course of study they needed.

Rules of safe driving were learned and practiced by our students

Mr. Skinner explains shifting gears to Gladys Ross.

One of the most awaited and exciting days of a teenager's life is his sixteenth birthday, for then he can obtain a driver's license. In order to get a driver's license in our state, we had to have a Driver Education Certificate, which was obtained through a driver training class.

This class consisted of two parts: theory, where the student learned the mechanics and techniques of a car and how to drive; and actual experience in driving a car where they applied what was learned in the classroom.

DRIVER TRAINING—Mr. Charles Skinner, B.S., Eastern Michigan College; Mr. Edward Kuhn, B.S., Central Michigan College, M.A., University of Michigan; Mr. Jack Boughton, B.S., Michigan State University.

Mrs. L. Kotwas, school nurse.

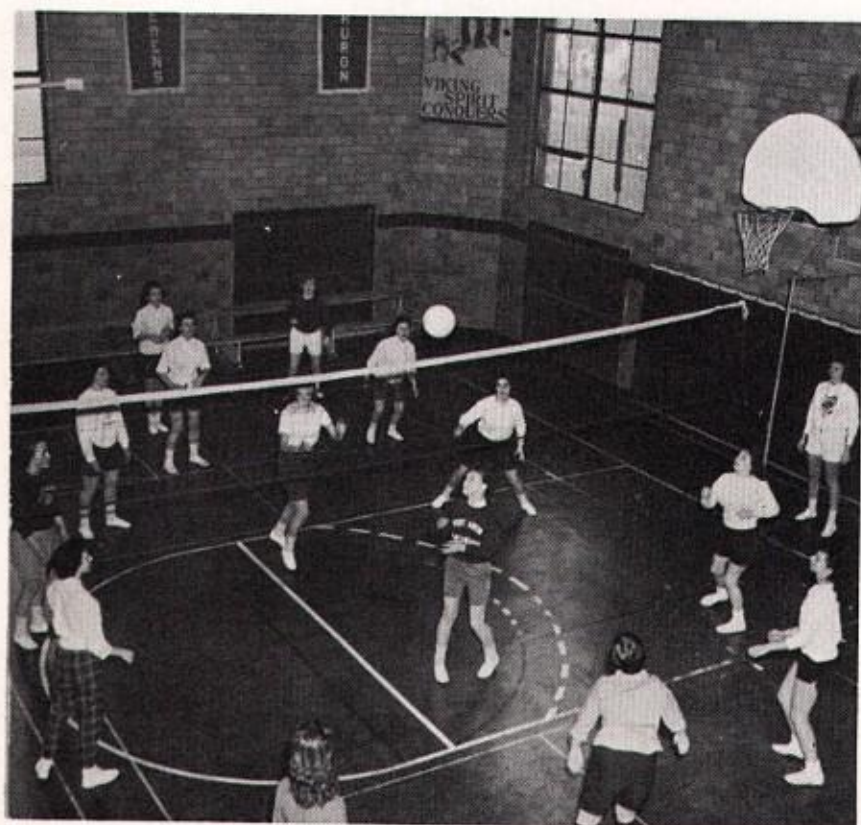

Keeping the students healthy physically fit was important

Good health was stressed to the students through precautionary methods as well as physical fitness. In our gym and swimming classes we learned the value of physical activity to build strong bodies. Volleyball, badminton, swimming, basketball, tumbling, calisthenics, soccer and field hockey were a few of the more popular games.

This year through the nurse's office, we had a vision testing program.

Racing dives were practiced in the boys' swimming classes.

Volleyball was a popular game in gym class.

PHYSICAL EDUCATION—Mr. Daniel Lutkus, B.S., Eastern Michigan College; Mrs. Donna Skomski, B.S., Michigan State University; Miss Marjorie Smith, B.S., Michigan State University.

Together we learned about cooking, sewing, and design

Homemaking, the art and skill of maintaining an efficient household, was an area of special interest to many girls. Dressmaking, designing, sewing, cooking, proper methods of budgeting, and diet care were only a few of the fundamental objectives of the department.

Practical experience was gained in the cooking and sewing rooms, which provided the necessary practice to become a good homemaker.

Girls learned to make loop rugs in home arts classes.

The experience gained through class work will help these future homemakers.

HOME ECONOMICS—Mrs. Mary Anderson, A.B., Fairmont West Virginia State College; Miss Leah Schlichtman, B.S., University of Nebraska, M.E., Wayne State University; Mrs. Harriet Vanloo, B.S., Western Michigan University.

Miss Schlichtman watches some of the girls in sewing class working on dresses.

Mr. Empson's glee club classes were popular as students joined together in harmony.

MUSIC—Vocal—Mr. Freeman Empson, B.A., B.M., Lawrence College; Instrumental—Mr. Bernard Leutholtz, B.M., M.M., University of Michigan.

Art and music brought an appreciation of beauty

The music department, consisting mainly of vocal and instrumental groups, provided training for students who showed interest and aptitude in these areas. Training included not only classroom and band practice periods, but also public performances in concerts, assemblies, athletic and social events, the annual Christmas program, and at graduation ceremonies.

In addition to the glee club classes, there were the Choir, Concert Band, Marching Band, and the popular Pep Band. This year the department added string instruments to its program.

Manual skills and an appreciation of beauty were developed in arts and crafts classes.

ART—Mr. John Burns, B.F.A., Illinois Wesleyan University; Mr. Harold Lose, Art Institute of Pittsburgh, Museum School of Art Philadelphia, B.S., Edinboro State Teachers College (not shown).

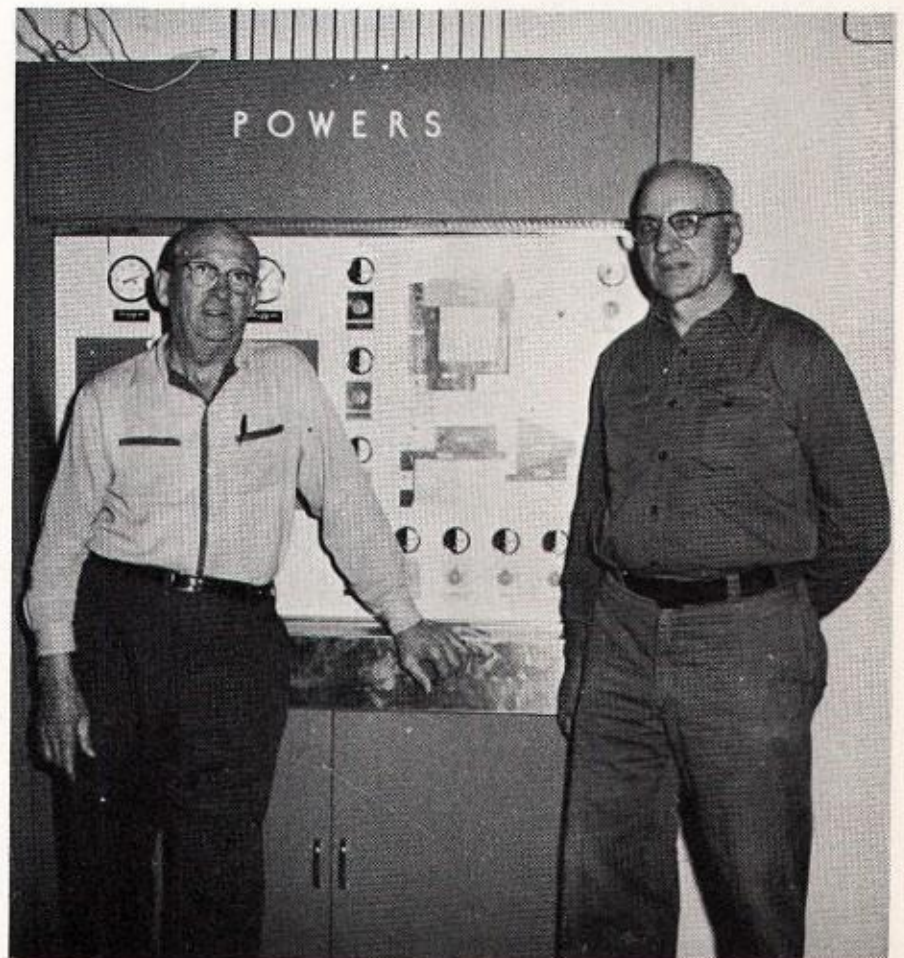

CUSTODIANS

Mr. D. Sullivan (Head Custodian), Mr. E. Quick, and Mr. Liss.

Mrs. D. Heck and Mrs. M. Waldron

Mr. Parks and Mr. Hibbler

TOGETHER WE ARE BUILDING THE FOUNDATION FOR OUR EDUCATION

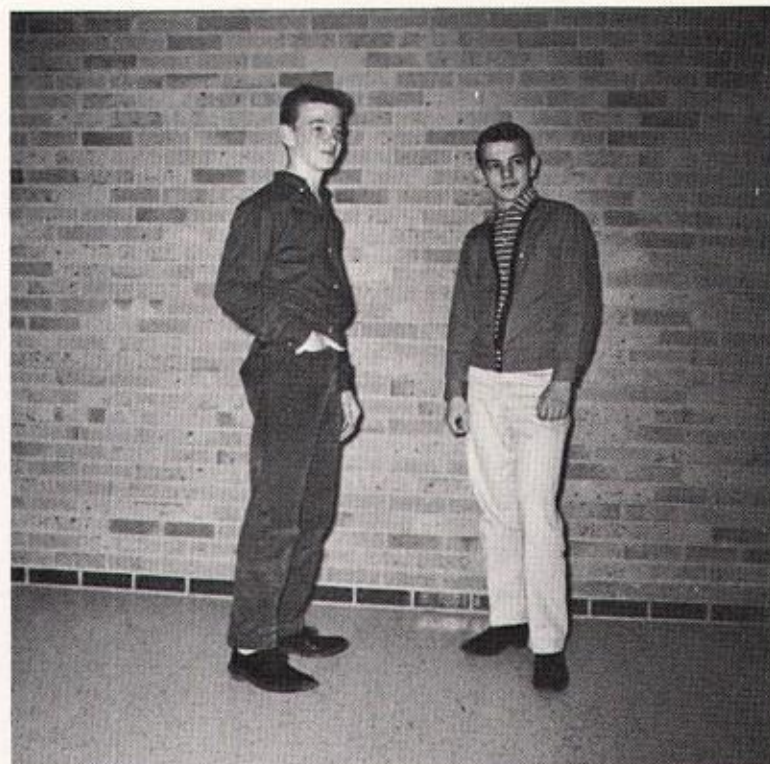

Together, step by step, we have been climbing the ladder of our high school education through the many elective and non-elective courses offered by our school. Although our interests varied, we still shared the same goal--that of achieving a good education. As we progressed from one grade to another, we began to realize more and more that knowledge and a happy useful life went hand in hand.

Working with our teachers, we developed our thinking, and we also took part in many activities which we knew would add to our learning.

And so-- until we reach our goal, we will continue to work on the foundations of our education which will eventually lead us to a better life.

Fads and Fashions

Ski sweaters were a hit as shown by Sharon Keen and Jim Brown.

Always the most popular fashion at Hazel Park High School was the HP varsity sweater worn by Dave Romanski.

Ed Kelly shows the Fabian sweater which made a hit with many boys.

Winnie Neview displays her popular Queen Ann heels and short skirt.

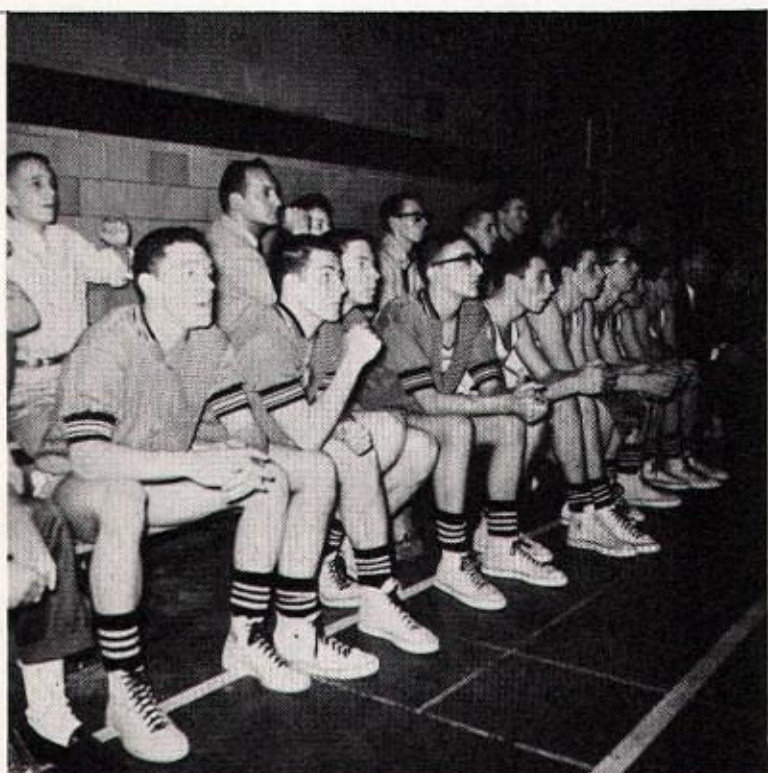

Miss Maierle's English class enjoyed the new classroom facilities of the new school.

Bad weather or not, all eyes were on the game as HP came close to scoring a major upset against Ferndale.

Candid Camera

Tense moments like this were common during the basketball season.

Music for our dances was furnished by our own students.

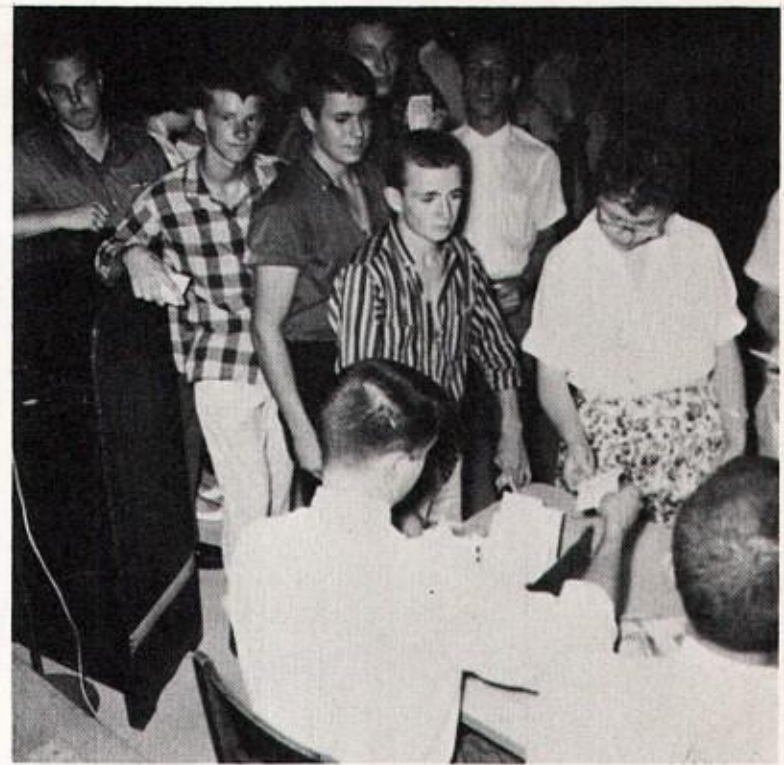

The north entrance of the old school was well populated just before bell time.

"Macbeth" took on added 'realism' in this dramatic(?) presentation.

Corn stalks and pumpkins provided an autumn mood at the Harvest Moon dance.

Every year same old thing-- locker registration.

Dolores Grant learned some of the fine points of giving a speech in English class.

TOGETHER WE ACHIEVED

OUR GOAL

When first we entered HPHS, our minds and hearts were overflowing with many dreams and aspirations. As incoming freshmen, we thought high school life was a bed of roses, but each succeeding year we encountered thorny challenges and problems. But together we overcame these obstacles and continued to cultivate the seeds of knowledge which our faculty and administration so tediously sowed.

Now with the conclusion of our senior year, we are ready for the harvest.

Whatever lies ahead for us will be met by the strength of our education.

EXTRA-CURRICULAR ACTIVITIES

TAUGHT US THE

VALUE OF WORKING TOGETHER

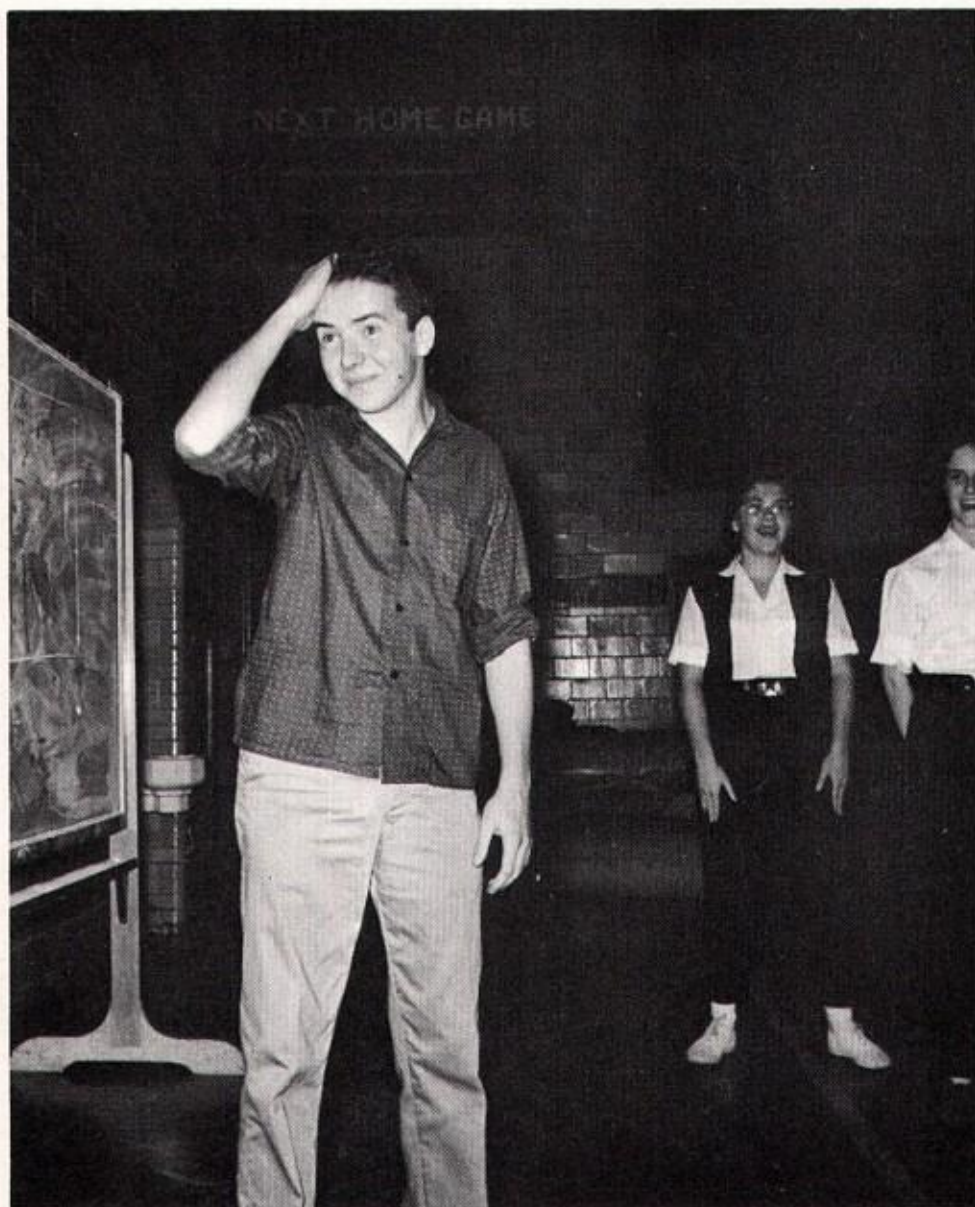

Our extracurricular activities provided us with another opportunity to learn and achieve by working together. In our clubs and organizations we set up our own rules and methods of going about doing things. As a group we worked to increase the membership of our clubs. Then we pursued the various aims for which we organized.

Working as a team, we found that we could accomplish much more than if we tried to forge ahead alone.

Examples of our accomplishments were reflected in the united effort of the French Club to produce the Talent Show. The Y-Teens presented their yearly Carnival Dance, and the Student Council sponsored such cooperative projects as the Homecoming, the Christmas in April canned good drive, and the Executive's Conference. The publications staffs both produced the school paper and this yearbook through their working as a team.

These are only a few examples of what we found we were able to do by working together.

School is opened by the 12B Class

O que e tudo isto? (What is all this?) Jose DaSilva wonders at a surprise birthday party given by the 12B class.

As the last year in the old school opened, it brought with it many exciting and new activities. Clubs strived to increase their membership and planned many social events to round out the school's extra-curricular activities.

To get the year off to a good start, the 12B's sponsored a fun night for their class, which also fell on the birthday of Jose DaSilva, this year's foreign exchange student. He received many gifts from the class and also from the Student Council. Soft drinks and a birthday cake were served.

Jose DaSilva Holds the remains of his birthday cake during a party in Spanish class.

Sue Robinson helps with the eye testing program

Eye testing, a yearly occurrence, took place soon after school started to assure each student of proper eyesight to prepare himself for the year's activities ahead.

Homecoming, an annual event at HPHS took place soon after school started and many floats were sponsored in the parade. Many alumni came to the football game for a reunion with old classmates. Homecoming events were evaluated by members of the Homecoming committee after all these exciting events had taken place.

Students met to evaluate this year's Homecoming.

Karen Mitchell, Margaret LaBerge, and Jim Walker have a gab session.

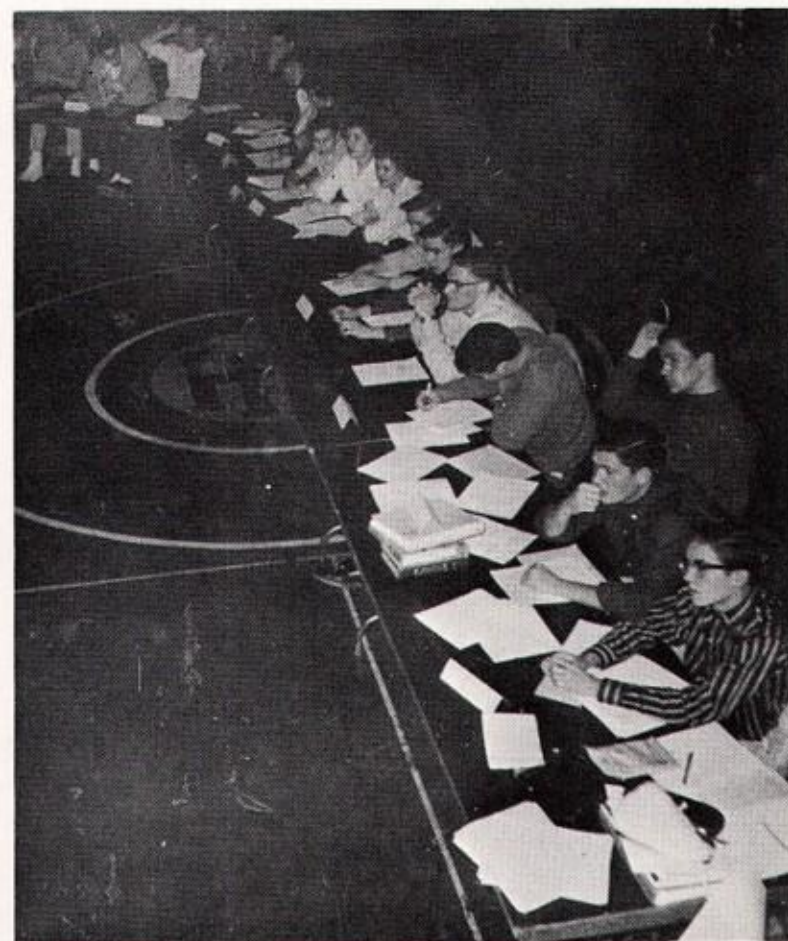

George Vrabel and Judy Eberhardt bobbed for apples at the Biology Club Halloween party.

Fall Activities Brought Parties, Dances, Conference

Students did the Mexican Hat dance at the Harvest Moon dance sponsored by the 12B class.

Leaders from the various clubs met to discuss the points system

The wild west is reopened by the Hi-Masquers.

The play, GO WEST YOUNG MAN, was presented by the High Masquers in November. The setting was a dude ranch in California, and the cast included 15 persons.

The cast of "GO WEST YOUNG MAN" included Elaine Hutchinson, Vera Laird, Leon Stephens, Don Topolsky, Elaine Carbone, Patricia Podulka, Don Smith, Eric Miller, Priscilla Jones, Brenda Hawkins, Dwaine McDonald, Pamela Keen, Jim Walker, Dianne Miller, and Terry Rubino.

Lots of fun at a 10B Fun night.

Sadie Hawkins Dance

At the Sadie Hawkins Dance, a time for the unforgettable characters of Dogpatch to emerge, Daisy Mae and Lil' Abner were announced. Marriages were performed and judges chose the best corsage from a row of boys proudly displaying them. Elaine Tomczyk and Chester Grant were selected as Lil' Abner and Daisy Mae.

John Moore and Annette Desmaris tied the knot at the Sadie Hawkins dance.

Announcing the arrival of Daisy Mae and Lil' Abner at the Sadie Hawkins dance.

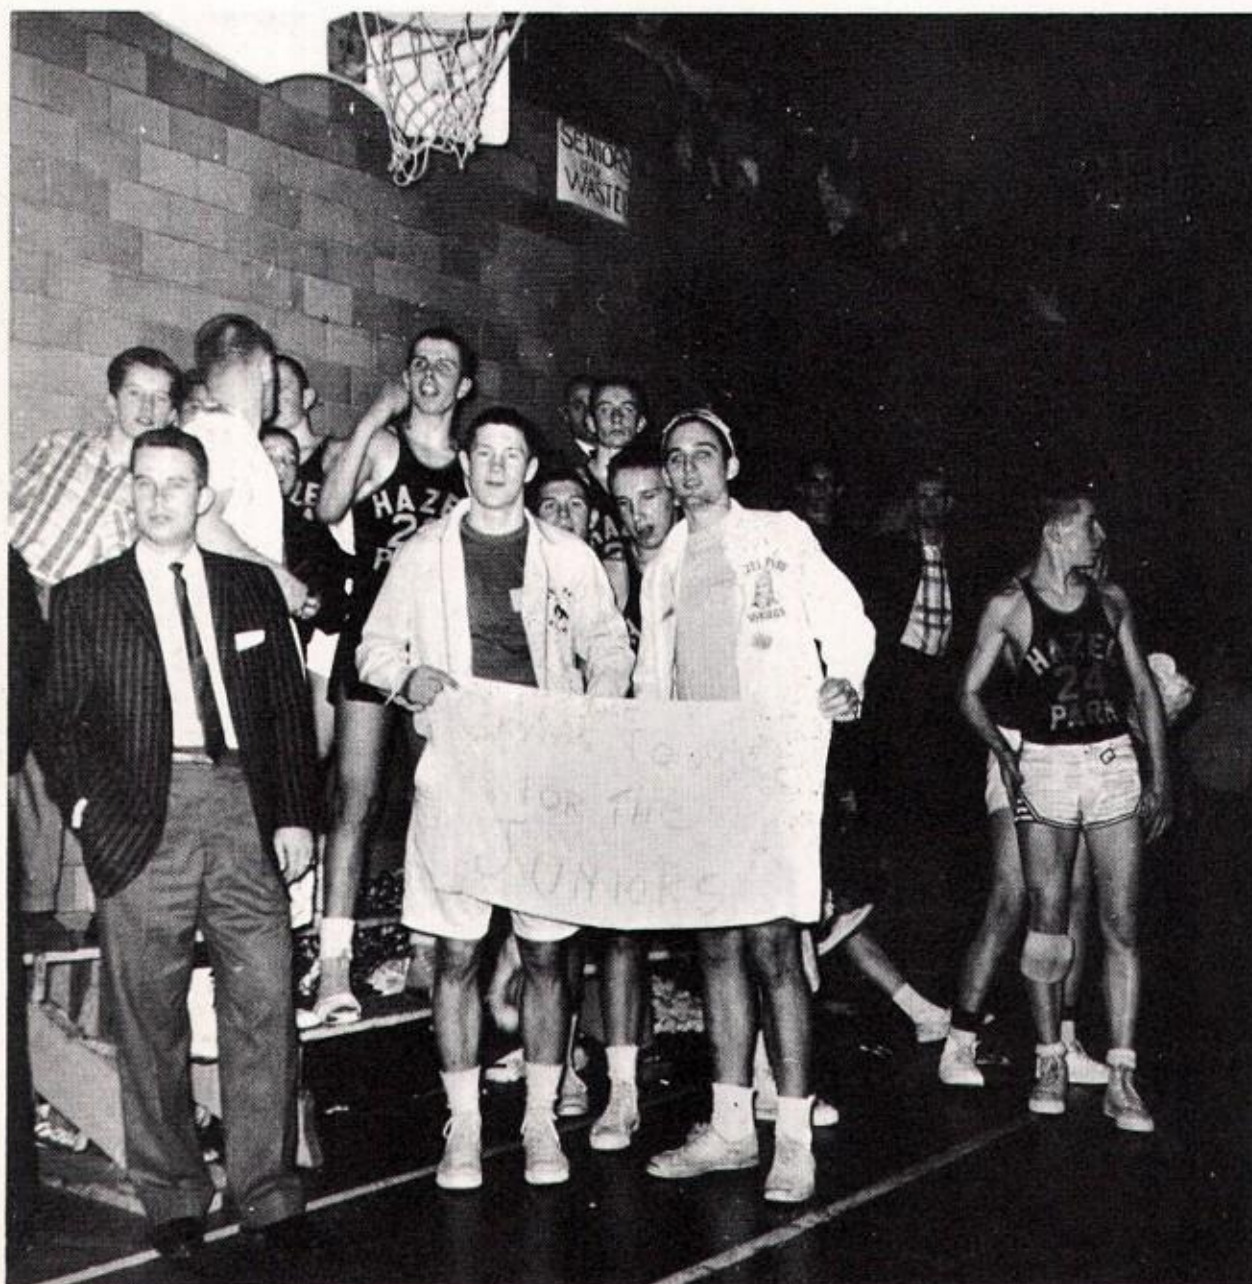

The first P.T.S.A. Dance was held in the gym. Door prizes were pizzas.

At the Junior-Senior game the Seniors made the Juniors bow to a losing score. The Seniors presented a crying towel to the Juniors for their effort in putting up a good game.

The first PTSA dance provided dancing and refreshments.

Chester Grant and Bob Fulcher display the crying towel which was presented to the juniors.

Refreshments were served at the January Prom.

January Prom

The Junior-Senior Prom climaxed the year for many graduates. The theme was "Winter Fantasy," and was held at the Veterans Memorial Building. The 11-A class presented the Prom and decorated the hall for the occasion.

Stage props were made by members of an ingenious, hard-working stage crew.

A Christmas Play

Mrs. Wall's dramatics class presented our winter Christmas play just before school was dismissed for Christmas vacation. Decorating was done by various people interested in dramatic or artistic work. The play was presented during the day so classes could attend. The dramatic class also put on various other plays during the year.

The students in our school usually found a place to congregate, and nine times out of ten, this place was in room 31-A. Many new friends were made and problems solved in this room. Often it overflowed, and chairs were not to be found.

The Choir presented many fine performances during the school year. The Christmas season was celebrated with the help of the Choir, which sang Christmas carols to put everybody in the cheerful spirit of Christmas.

A typical scene from the old 31-A.

Elaine Tomczyk was Junior Miss of our school.

HONORS FOR TOP STUDENTS

We had lots of fun during school, but everybody has a serious side too. Elaine Tomczyk was chosen to represent HP in the finals for Junior Miss of the year. Elaine, a well-known personality around the campus, went with other representatives from other schools to Pontiac to compete in an inter-school contest.

The award for outstanding citizenship went to Susan Vigneault. The D.A.R. award was presented during the Honors Assembly. Each year, a student is nominated by their class, and then the candidates are chosen by a committee of teachers. They are judged on their citizenship, scholarship, and leadership.

Sue Vigneault received the DAR award for citizenship, scholarship, and leadership.

Class Day

Final preparations were made for graduation and last-minute details were checked again and again to assure everyone that this would be a time to remember forever. After Class Day ceremonies, friendly words of advice are given and everyone hopes that each one has done his best to prepare the graduates for their new life after graduation.

Congratulations for Rita Suggs from Dr. Miller for winning a scholarship.

Something quite interesting must have been said at the January Senior Tea, sponsored by the Y-Teens.

Class Day, Graduation, and Other Senior Activities Were Always A Highlight of the School Year.

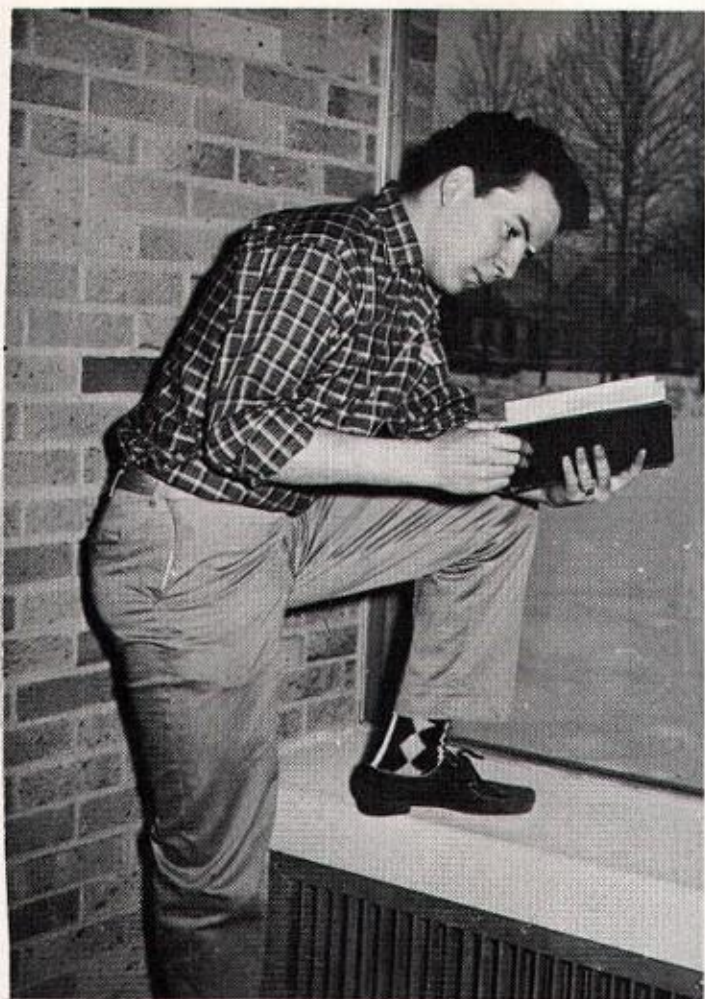

Varsity Club initiates were Bill Merkel, Pat Mahanes, Tony Palise, John Sweitzer, Jim Lalone, Bill Boldt, Ron Goovert, Bob Marks, Frank Smotherman, George Goovert, Tom Jankowski, Jim Fouts, and Randy Jennings.

The students tried in vain to keep the ball away from the teachers in the Student-Faculty game.

Susan Vigneault presented the trophy to Mr. Jones, coach of the winning, faculty team in the annual Student-Faculty basketball game, March 17.

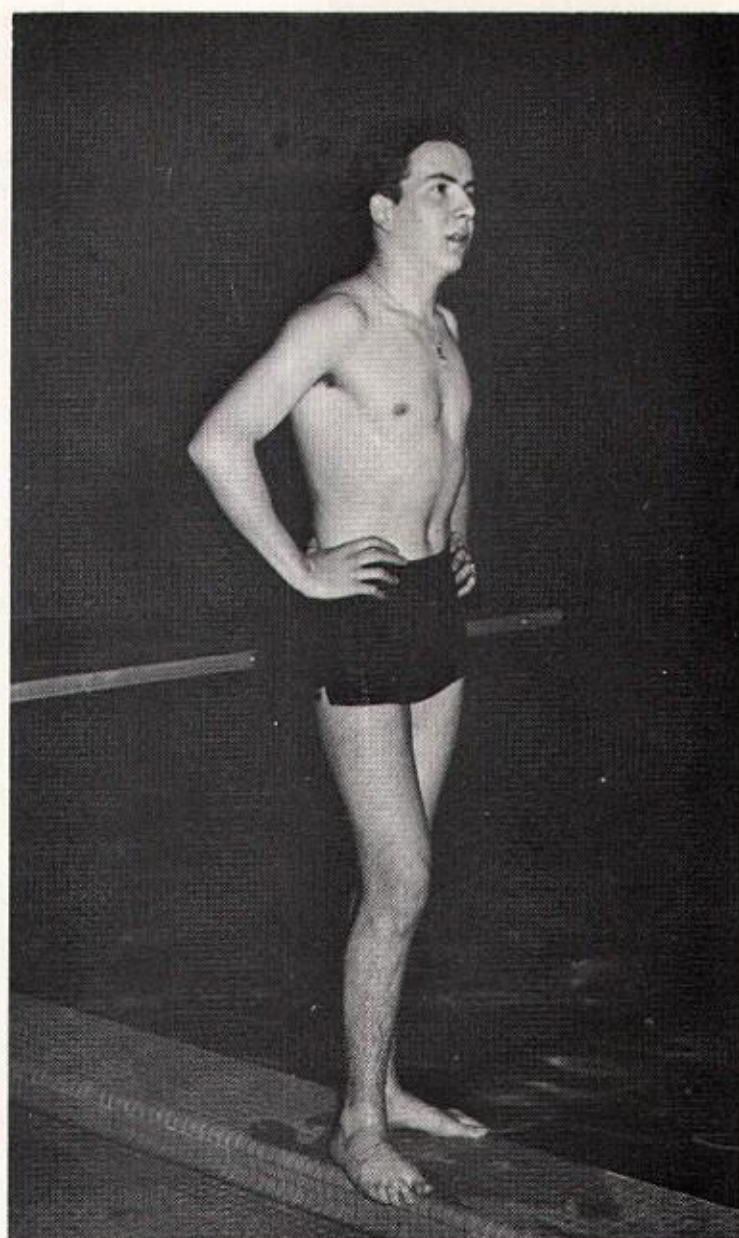

One of Jose's favorite pastimes was reading.

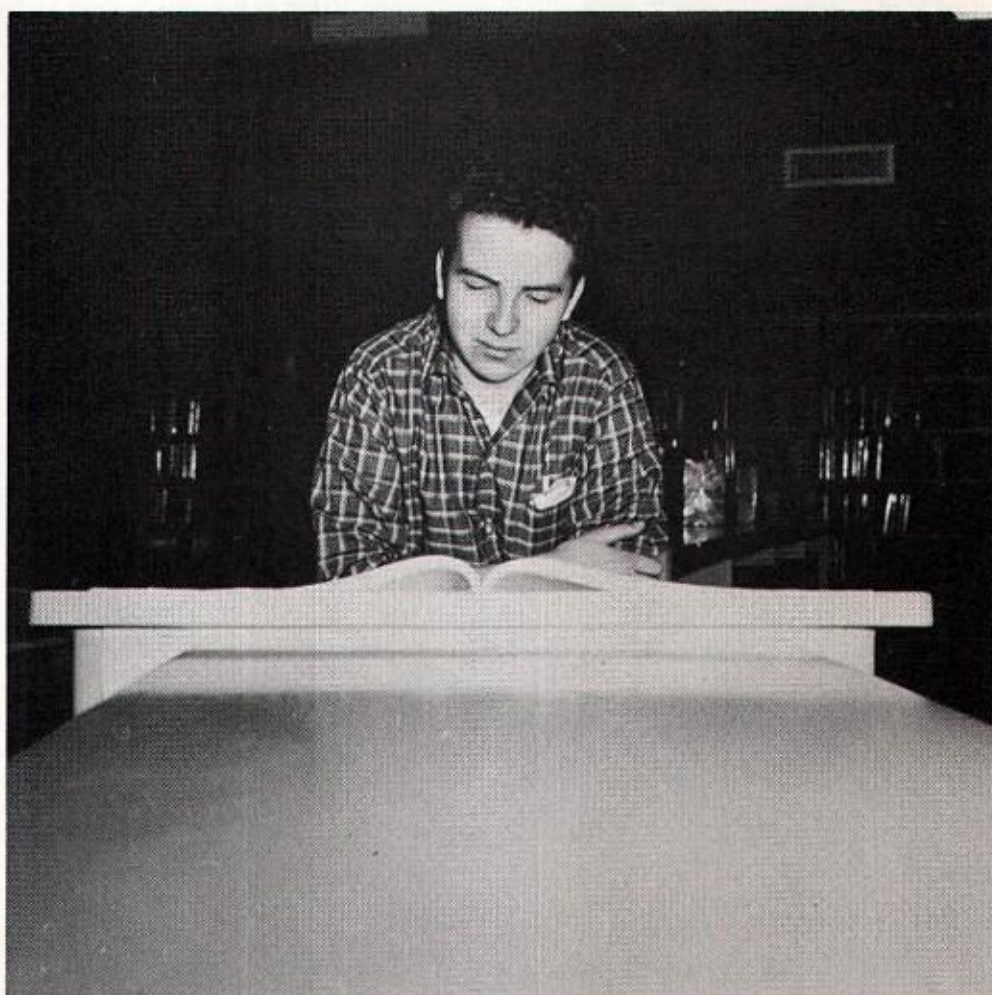

Our Foreign Exchange Student

Jose DaSilva, our foreign exchange student for 1959-1960 and a native of Portugal acquainted himself very quickly with American ideas and customs. He and his American brother, Craig Sanborn attended many high school activities together.

Jose, a friendly and well-liked person in school, swam with the HP Tankers, was an honorary member of the Viking Staff and Student Council, and graduated with the June, 1960 class.

Swimming was one of Jose's many activities.

Jose took advantage of our beautiful new library.

Regal Pair Dance at Ball

The King and Queen of Hazel Park High School for 1960, Barb Saferian and Richard Osborn, danced at the Coronation Ball.

Kings and queens of the 1960 Coronation Ball were, from left to right: Barb Neil and Tom Thompson, 12B; Pam Snavely and Bob Merchel, 11A; Carol Burger and John Gordon (standing in for Frank Stagg), 11B; Rich Osborn and Barbara Saferian, 12A; Carol Costa and Jerry Link, 10A; Carol Kostanecki and Cal Wilkinson, 10B; Carol Kupiec and Larry Reed, 9A; Sandra Chism and Tony Krakosky, 9B.

Snow came a little late this year, but Ed Duda defended his masculine honor even though outnumbered.

The annual National Honor Society banquet featured the initiation of fall members.

Hi - Masquers presented "The Diary of Anne Frank"

Leon Stevens and Dianne took time out from rehearsals to get acquainted with "Peter's" cat.

In the spring, the Hi-Masquers presented "The Diary of Anne Frank," the dramatic presentation of three families who had to stay in hiding for nearly three years during the persecution of the Jews in Holland. It was presented on March 31 and April 2 and was the first play to be staged in the new auditorium.

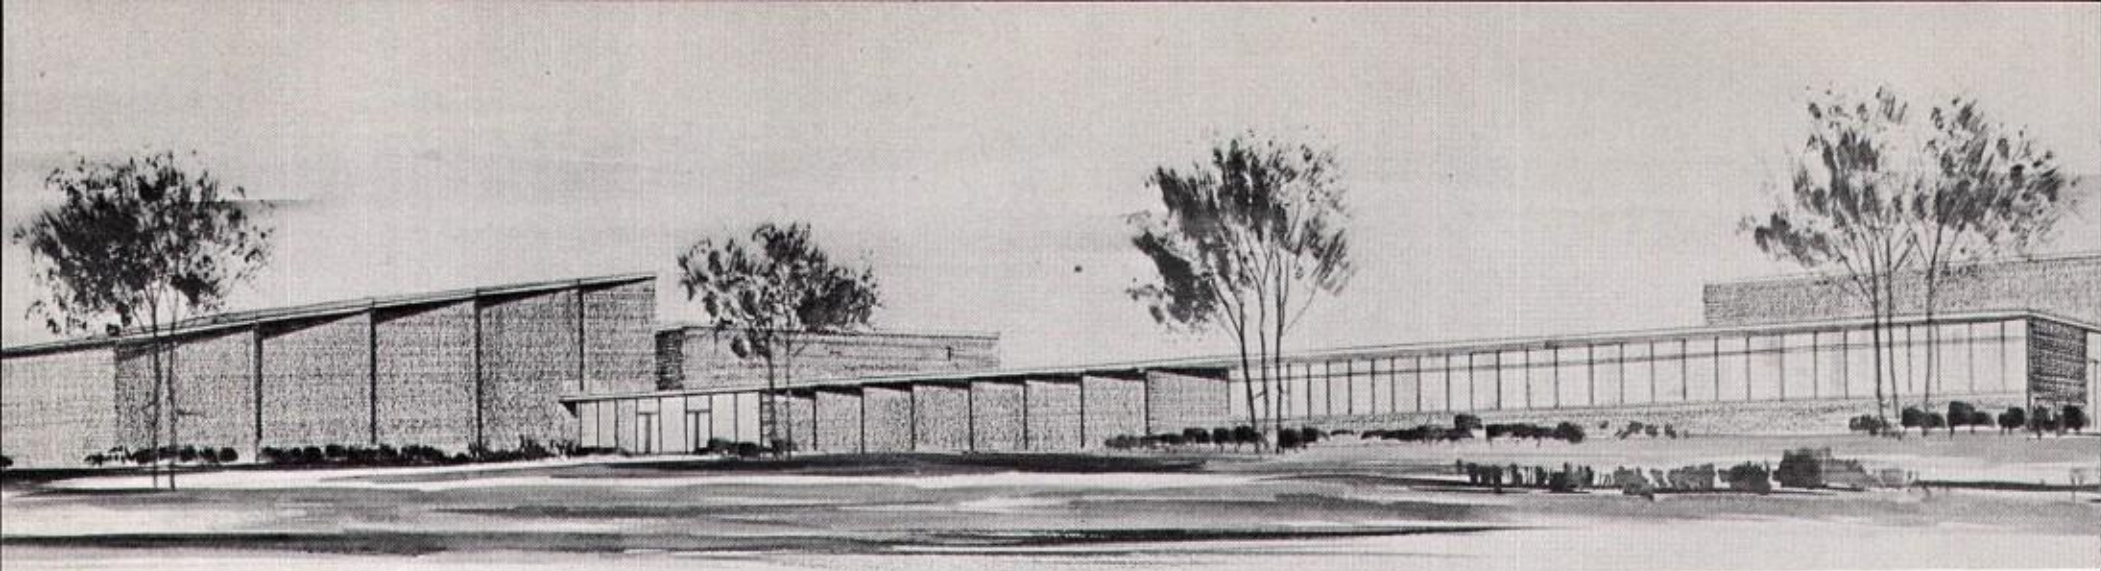

Dianne Stephani, as Anne Frank, wrote everything in her diary.

Cast for "The Diary of Anne Frank" was: *First Row:* Leon Stevens, Dianne Stephani, Robert Byars, and Roberta Lilly. *Second Row:* Don Topolsky, Roberta Turner, Dewaine McDonald, Barbara Neil, Tom D'Agostino, and Joyce Suggs.

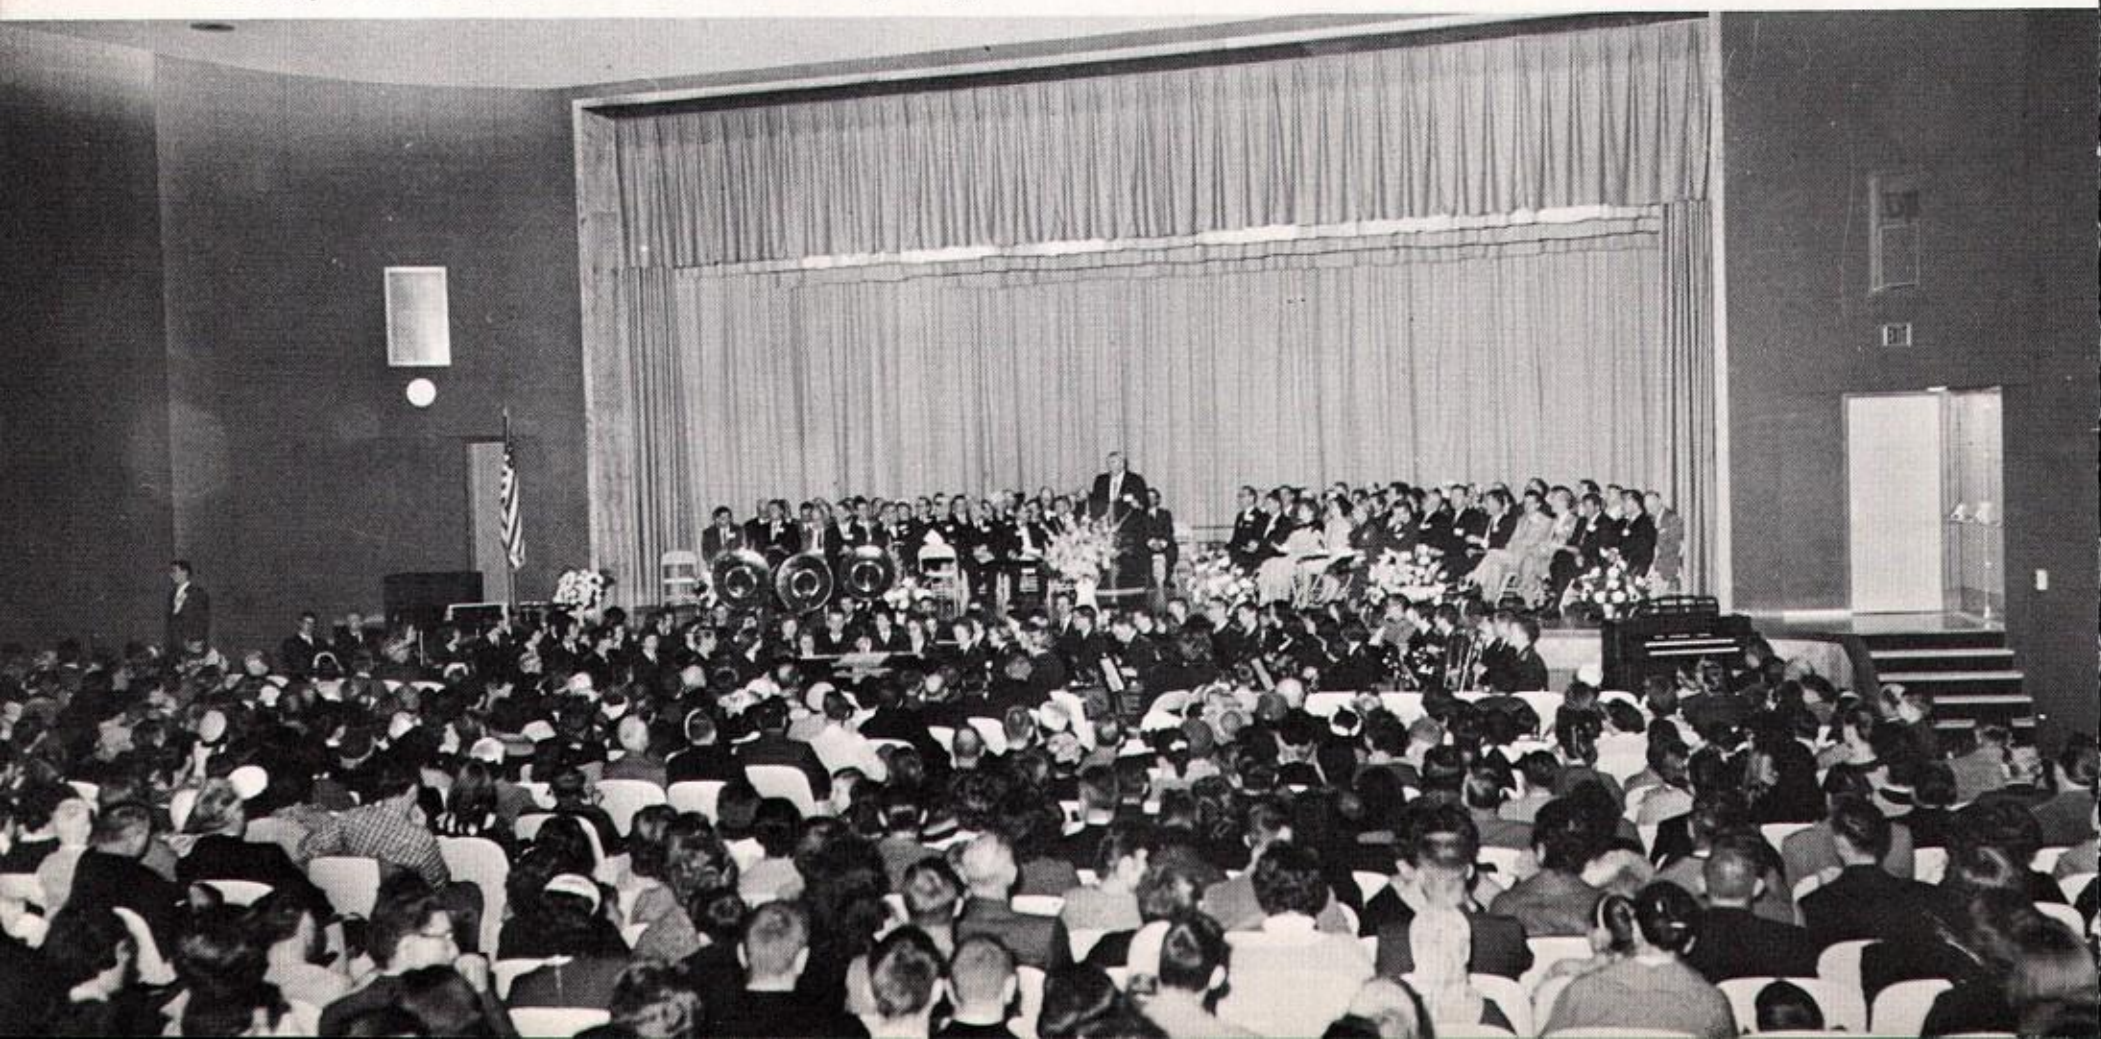

GREATEST MOMENT.... A NEW HIGH SCHOOL

Even though there were no tears, most of the students of Hazel Park High School felt a little sad in leaving "ole HP," on moving day, March 11, 1960. As the books and other materials were moved, many memories of past events were revived. Students remembered the first homecoming queen, Chris Proszkowski; the EML championships in football; Irja Huta, the first foreign exchange student; and state wrestling champion, Ruford Black. All these memories and many more were a part of the old HPHS.

But as classes started on March 15, 1960 in the beautiful new building, new hopes and expectations were built. With better conditions, equipment, and a pleasant atmosphere, students received the opportunity to grow in knowledge and to learn the importance of a good education. As the years pass and new traditions and honors become a part of the new high school, memories remain in the hearts of the "ole HP'ers," as the old made way for the new.

The dedication of the new Hazel Park High School was March 13, 1960. The Honorable Lt. Governor John L. Swainson gave the dedicatory address. Below is a scene from the opening part of the ceremonies.

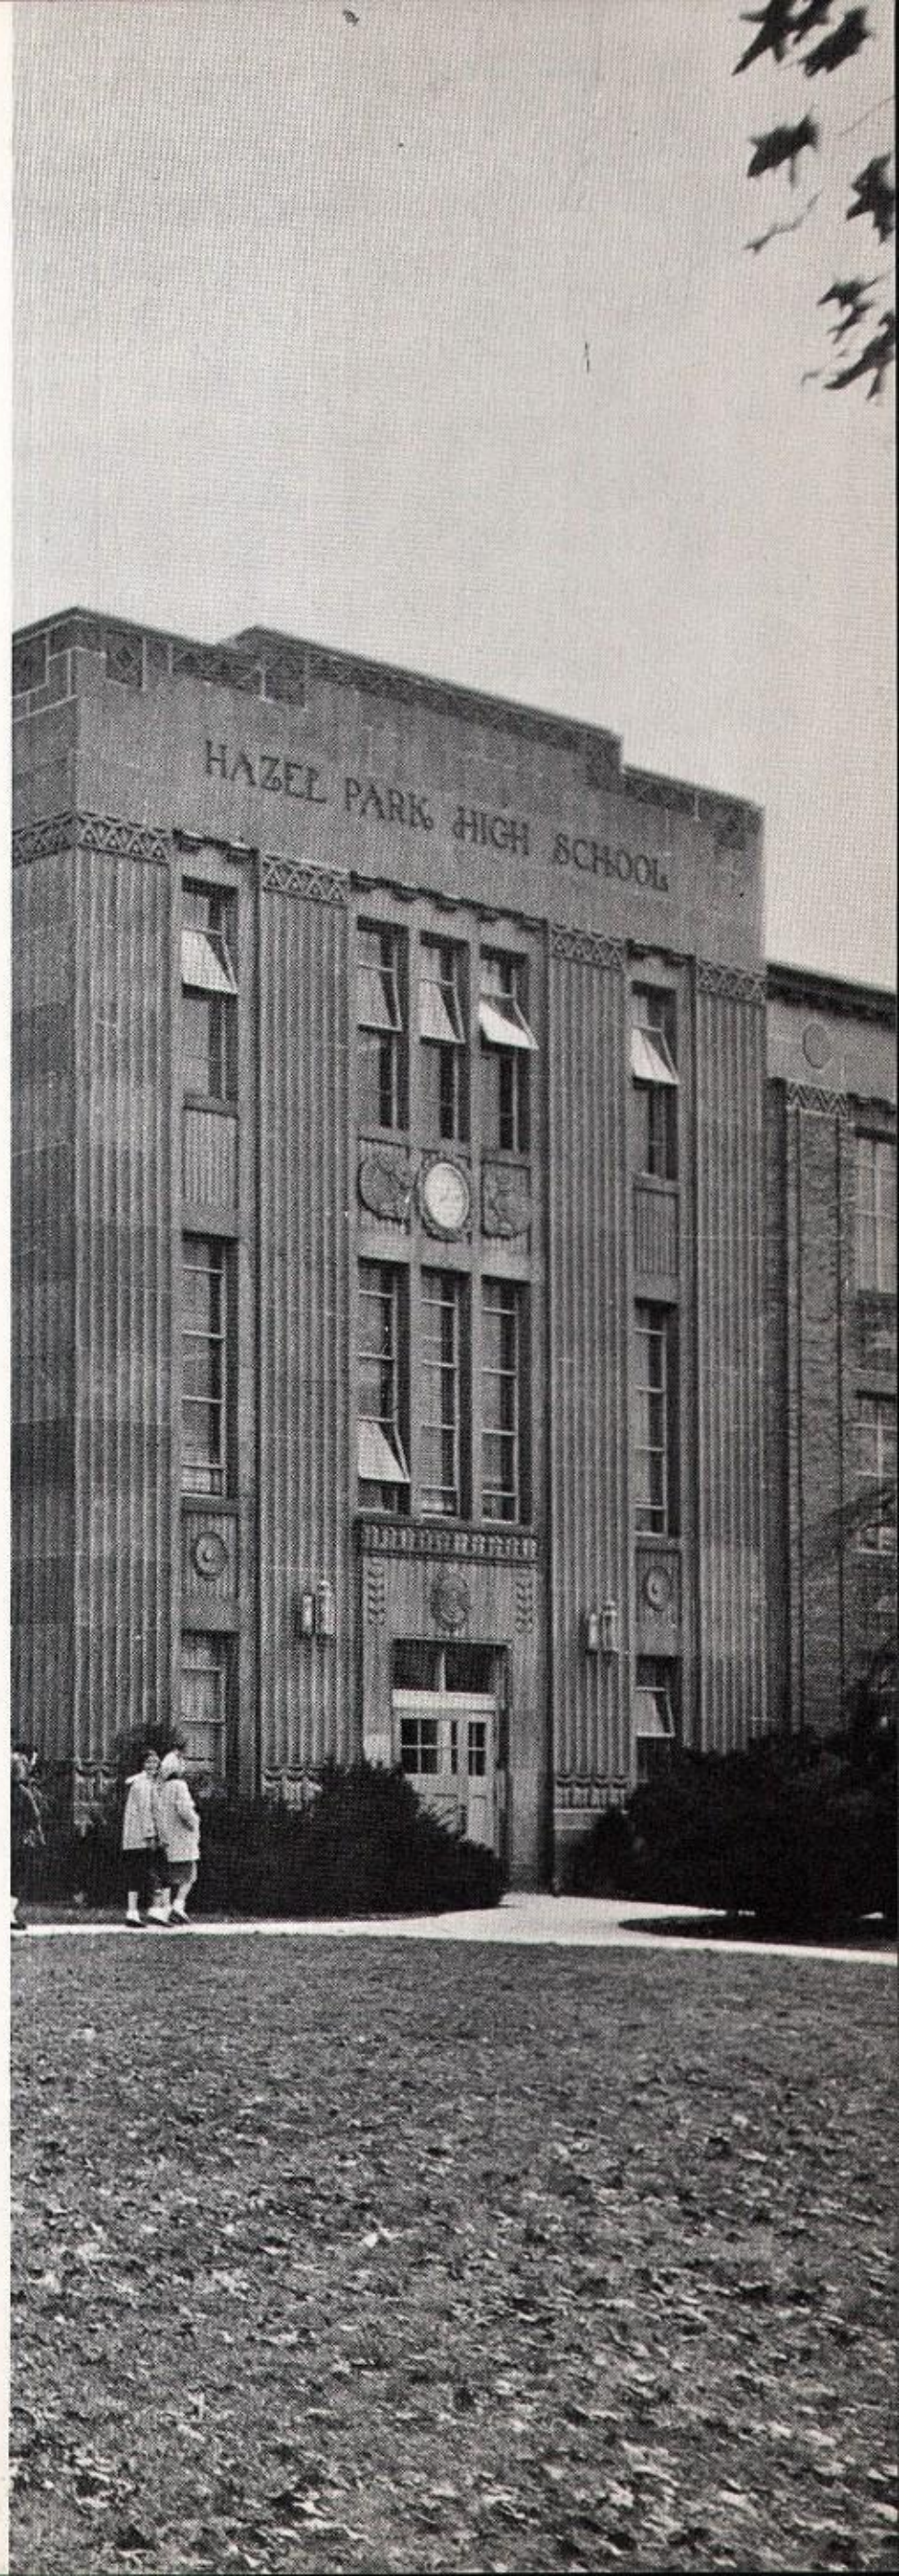

Fond memories continued to linger within the doors of "Ole HPHS."

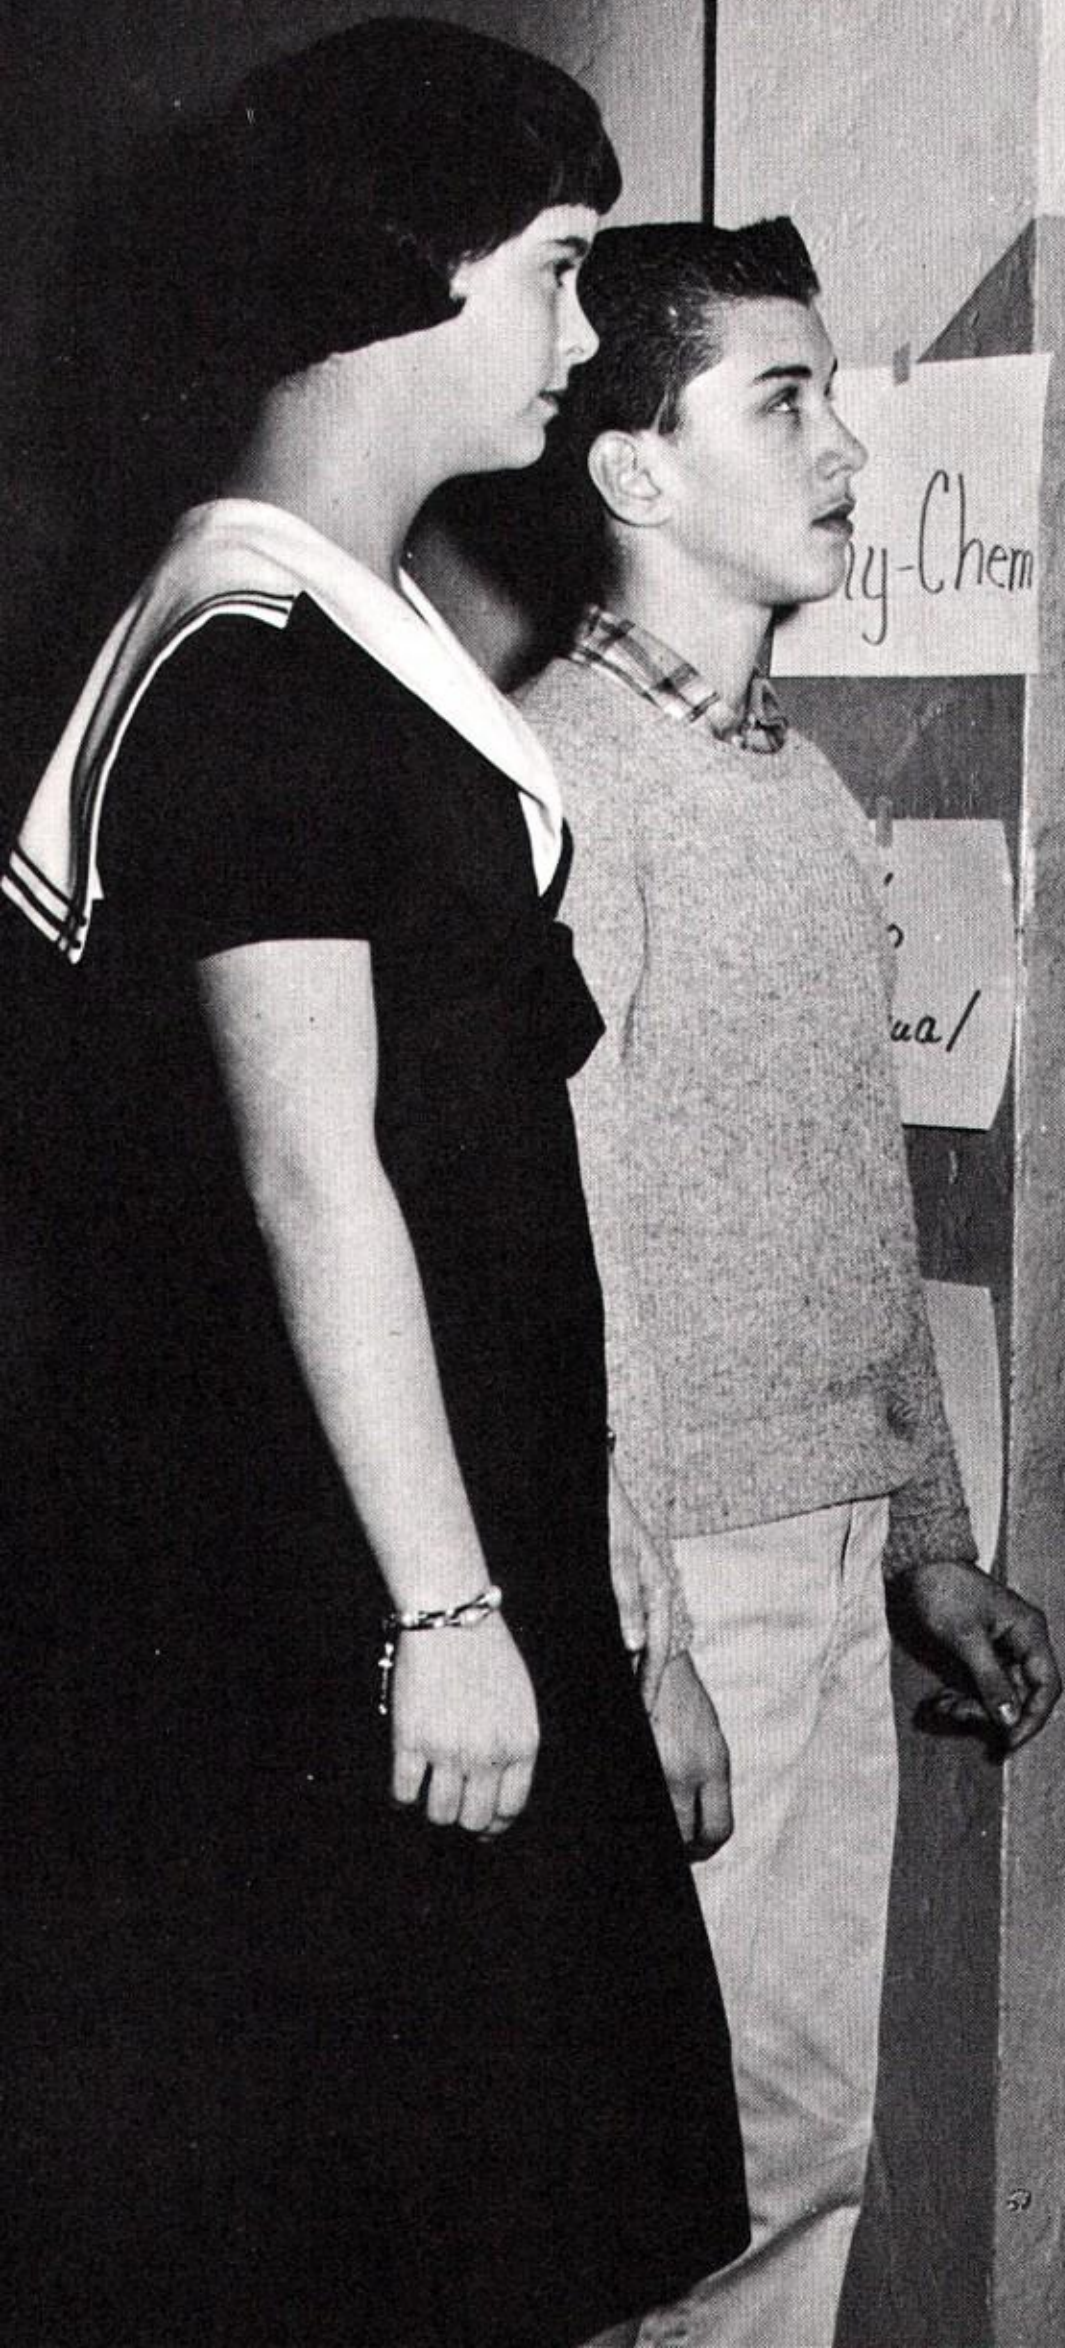

Ray Guzall, Chuck Sanner, and Roberta Lily helped in moving to the new high school.

WE WORKED TOGETHER TO MAKE A WELL-ROUNDED STUDENT

With a school population of almost 1700 students, we found that within our school there was established a way of life uniquely our own.

Our school society, through its own momentum, established certain forms of behavior, fads, fashions, and other activities which were accepted by all of us. We found that in order to get along, we had to adjust and cooperate, or we would be left to fare for ourselves.

It didn't take us very long to learn this, but we also discovered that getting along together made our school life much more pleasant and profitable. Knowing that we were a part of the student body of HPHS made us feel proud and it inspired us to work harder and behave in a way which would make our school and community proud of us.

Parties, dances, assemblies, fun nights, meetings, plays, HP traditions, games, and so many other segments of our school life provided the interest, enjoyment, and education during these important high school years.

HAZEL PARKER STAFF

An experience with the school newspaper proved very profitable to Mr. Louis Silvasi's journalism students. The students learned to be reporters, to understand the fundamentals of news writing, and how to write news which would be of interest to the public. These students gained experience by working on The Hazel Parker, the school newspaper, which provided a practical experience in newspaper production and helped students to understand the importance of keeping people well informed.

Traditionally, membership on the yearbook staff has been regarded as an honor, mostly because of the selective method used. Each staff member was specifically appointed to the staff after the adviser was satisfied that the student was a responsible and ambitious worker.

Producing the yearbook required organization and cooperation. Individually we scheduled pictures, drew our layouts, cropped and pasted up pictures, wrote our copy, and planned all the necessary elements in each section of the book. Cooperatively we worked on the subscriptions, and brought our sections together to produce a unified book.

Each member was required to produce as an individual and yet work within the limitations of the complete book.

Staff members were recognized for their work with pin awards at the Honors Assembly.

Science and Math Clubs aid in educating our students .

Through the Phy-Chem Club, students interested in science were provided an opportunity to gain additional information. They became more aware of chemical concepts in industry through a guided tour of the Wyandotte Chemical Plant. In addition to spending their spare time in the laboratory, they held regular meetings under the advisorship of Mr. J. Miller. This year the club was visited by the Ferndale winners of the Science Fair, who gave lectures on their winning projects. Some of the club's "in-the-lab" experiments included making soap and DDT.

Mu Alpha Theta, an honorary club for students with two and a half years of math and a B+ average, was organized to further interest in the field of mathematics. Under the advisorship of Mr. Ernest Gifford members visited the Ford Engineering Plant. At each regular meeting members alternated turns reporting on various mathematical theories.

Biology Club, a club for students interested in or taking biology, was organized to give the members an opportunity to gain practical experience in dissecting and to give them a fuller knowledge of science. The members participated in field trips and made insect collections, some of which were placed on display in the show case.

Parlez-vous francais?

Getting ready for the annual Talent Show took much practice.

Under the advisorship of Mr. Cliff Kraemer, French Club began the school year with a comparatively small membership. Selling Viking pennants at the home football games was first on the agenda for the club. The theme for the French Club's Annual Talent Show was, "Return of the Showboat." The talent show was under the direction of Connie Clancy, 12A. Proceeds from the activity went toward financing a foreign exchange student for next year. A final highlight of their social schedule was a dinner at Anatole's, a French restaurant in Detroit.

No business like show business

Members of the Hi-Masquers attested to the popularity of dramatics, sponsored by Mrs. D. Wall. The purpose of the group was to build student and community interest in the field of dramatics and to encourage participation in school plays and other phases of stage work. During the year the group produced "Go West Young Man," a festival of one-act plays, and the Pulitzer Prize play, "The Diary of Anne Frank."

The National Thespian Society, a nation-wide dramatics honorary, worked closely with the Hi Masquers and helped select the plays that were produced. Membership was based on first being a Hi-Masquer and then earning ten points through various work done in Hi-Masquers. Points were earned for doing such jobs as lighting, sound effects, costumes, publicity, and make-up, as well as for actual participation in production.

OUR STUDENT

Sue Vigneault, Elaine Tomczyk, Tom Selman, and Ed Duda listened to the Executive's Conference discuss the proposed points system.

Student voice in school affairs was provided through the Student Council at its weekly meetings on Monday. In addition, much of the business of the Council was done through various standing and special committees. With 28 members, this group worked toward promoting interest in school and school sponsored activities and to establish and maintain cooe

and to establish and maintain cooperation and understanding between the students and faculty. Membership on the Council came as a result of elections by each class.

Some of the activities of the Student Council this year included promoting the foreign exchange student program, the Homecoming, car registra-

This year the Council undertook to call the first Executives Conference to discuss a new points system to regulate extracurricular activities. Late in the year a committee began work on preparing ID cards for all students.

During the year, the Council attended two EML conference, one at Port Huron and the other at Birmingham.

Advisers were Mrs. B. Schoening and Miss J. Maierle.

The Student Council presidential campaign was between Susan Vigneault and Henry Golemba. Henry finally came out on top with Tom Selman as his campaign manager. Ed Duda managed the campaign for Sue.

Audio-Visual was an organization designed to serve as a training-aid program to any student interested in becoming a skilled projector operator. Members of this group were responsible for operating and maintaining the 16 mm projectors, slide projectors, tape recorders, classroom phonographs, and television during school under the supervision of their advisor, Miss M. Martin. The service of the Audio-Visual volunteer members was available at any hour during the school day.

Debaters won awards

A question is more likely to be settled rightly if it is discussed freely. The purposes of the debate teams were to afford an opportunity for students to participate in debate and discussion and to stimulate people to see the value of debate. This year, under the coaching of Mr. Harold Richards, the ten orators won Hazel Park's fifteenth plaque. HP debaters placed fifth out of seven schools in the Detroit Metropolitan League competition. Their discussion topic was, "Resolved: that the Federal Government should substantially increase the regulation of labor unions."

Y-Teens helped promote foreign relations

Service and fun went hand in hand as Y-Teen activities in Hazel Park's Y-Teen Club, under the sponsorship of Miss Joyce Maierle. Y-Teens, a world-wide organization affiliated with the YWCA, worked to promote interest in school and community activities. During the past year this club prepared Christmas stockings for needy children which were delivered by Y-Teen members; Leon Stephens and Tom Jankowski played Santa Claus for the occasion. A combination splash and pajama party at the YWCA was the first event of the school year for the club. A scrapbook containing pictures and articles related to the work of Y-Teens and school activities in the United States was sent to Egypt. As a climax to a successful year, the club sponsored the Carnival Dance, which was a girl-ask-boy activity. The theme of the dance was "Outer Space."

Carolyn Casey helped Santa get ready for the delivery of stockings for needy children, while the Y-Teens filled them.

WORKING TOGETHER AS A TEAM PROMOTED GOOD SPORTSMANSHIP

Probably no where else could the value of cooperation and working together better be shown than in our athletic teams.

Unity, individual effectiveness, and the willingness of each individual to do his part were the ingredients which spelled victory or defeat for our teams. We found that there was no such thing as a "one man team." The success of a team was clearly illustrated by the word itself-- "team."

With this in mind, we found the real meaning of athletic competition, which was not winning or losing, but rather the meaning of what could be done through working together.

Because of this, we felt that athletic competition was a stepping stone in building not only our bodies, but also our character.

JUDY ENGELMAN 1959 HOMECOMING QUEEN

1959 HOMECOMING

Judy Engelman was crowned Hazel Park High School's fourth annual Homecoming Queen on October 9, 1959. Judy, a popular student, was a member of Pep Club, G.A.A., treasurer of her class, and maintained a good scholastic average.

Different clubs and organizations submitted candidates to be approved by the Homecoming Committee according to the qualifications the committee had set up. These qualifications included: being an active student and in school for at least one semester, and having at least a "C" average. Students chose, in the primary elections, five finalists from the nineteen candidates entered.

Reigning as her court over the events of the day with Judy were Eleanor Nielsen, Bev Presson, Dona Scott, and Inge Maier.

Bob Fulcher and Norm Parker, co-captains of the football team presented Judy with the Homecoming banner.

At half-time, Judy was officially crowned by Taleese Richison, last year's queen.

Ralph McDonald, Joe Maczuga, Tom Sipila, John Hunter, Gary Davis, and Tom Roose presented a skit at the Pep Rally showing how Kimball would look after the game.

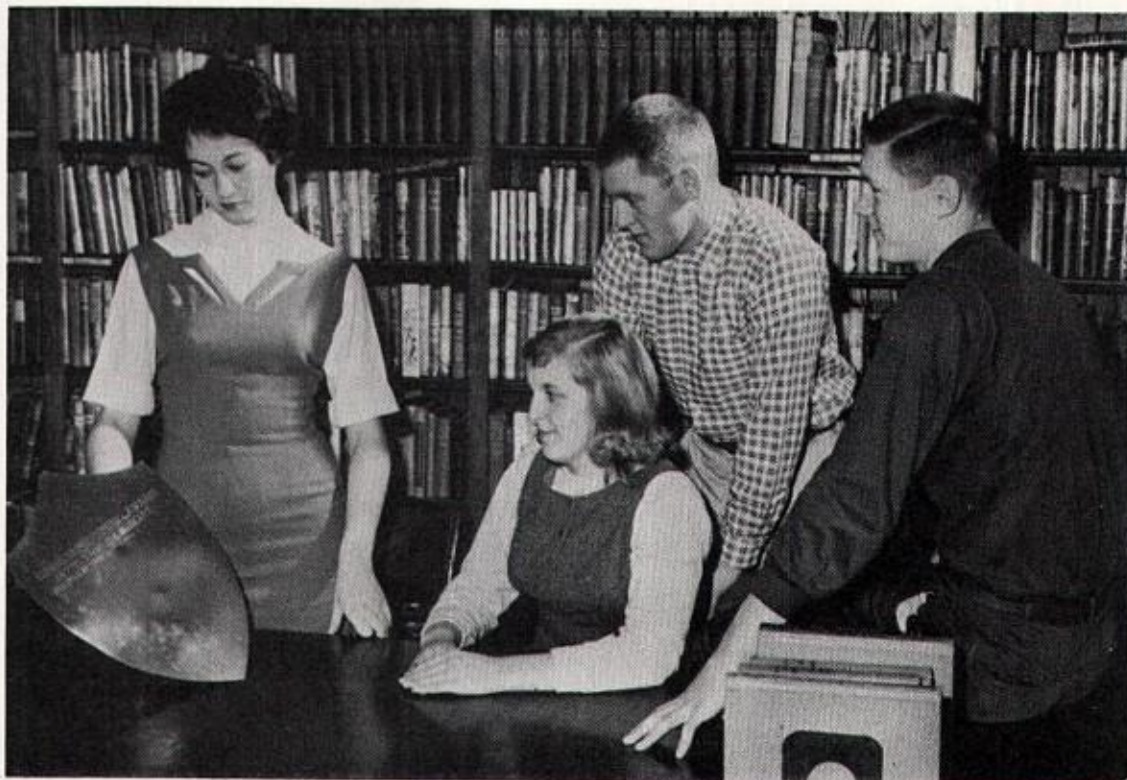

Alumni and students attended the Homecoming Dance after the game in the Lacey Gym.

Shield and Prizes, New Tradition

Plans for the 1959 Homecoming actually started in the spring of 1959, with the Homecoming committee meeting to establish plans for the annual event. The October 9, 1959 Homecoming game was with Kimball High School, and a parade, pep rally, and dance included the other events of the day.

For the first time in Hazel Park's Homecoming history, prizes were awarded to the clubs entering floats in the Homecoming parade. Originality and the club best portraying its aims were the basis on which the floats were judged.

First prize, the Viking Shield, went to Student Council. They will keep the trophy, on which their name has been engraved, until next year when the winning club of 1960 will take possession. Hi-Masquers, Art Club, French Club, and the Hazel Parker, tied for second place, receiving ribbons. The floats were judged by local businessmen.

At the dance following the game, Judy Engelman was presented with roses by Norm Parker and Bob Fulcher, co-captains of the football team.

The French Club float, second place winner, anticipated Hazel Park's victory over Kimball.

The Hazel Parker float was one of the second place winners.

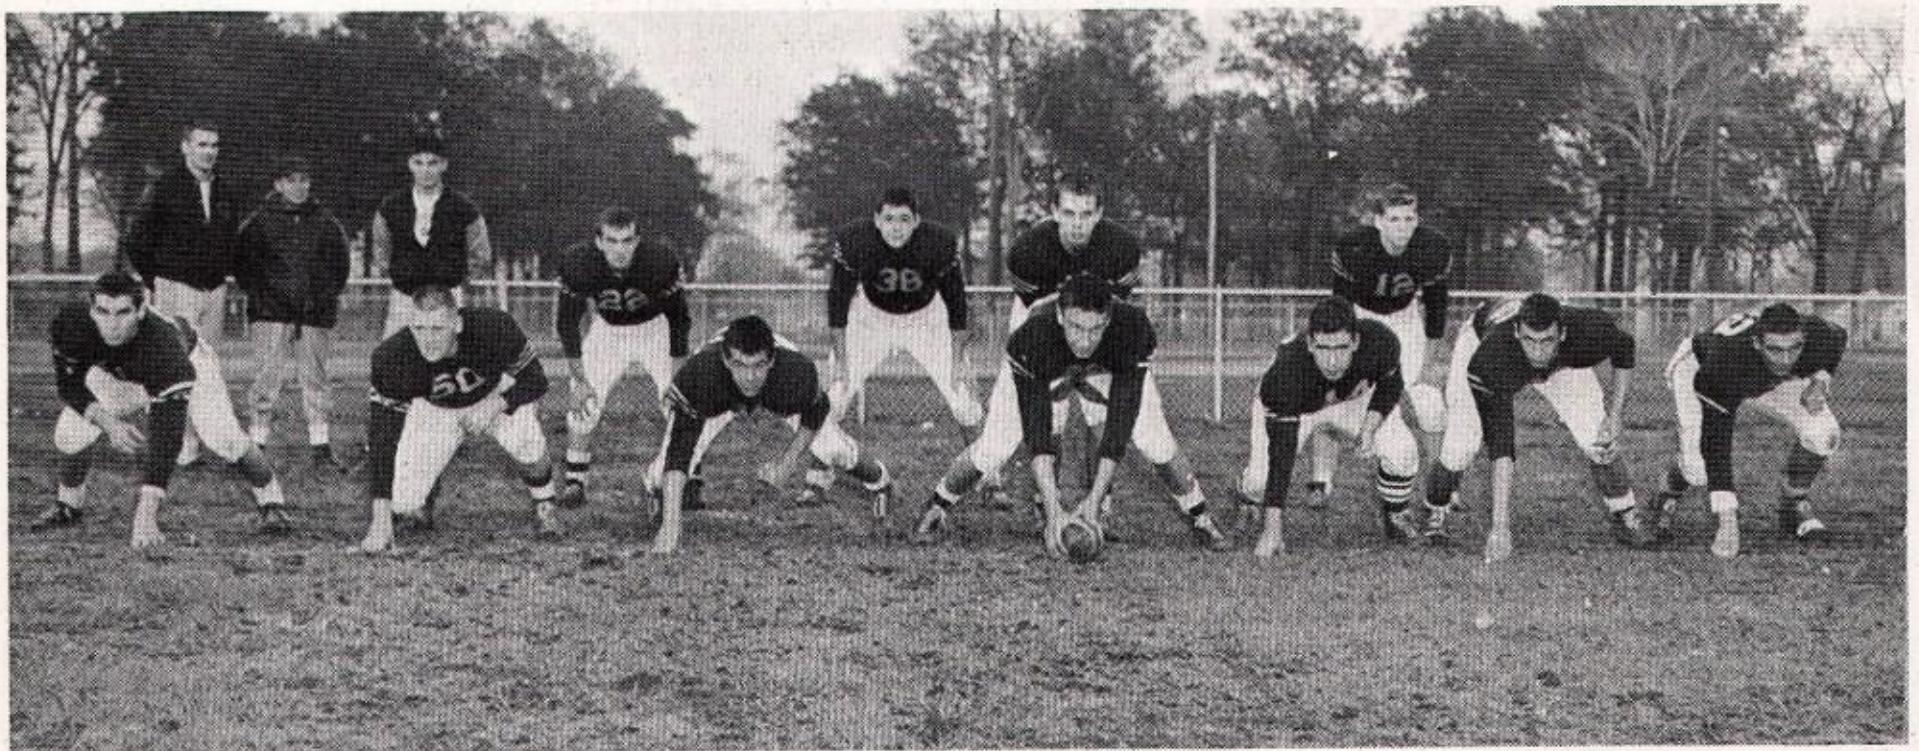

It was a tough football season

Frank Stagg (38) blocked a Port Huron player so that Golinski could pick up more yardage.

Our varsity Vikings, seeking to erase an eight-game carry-over losing streak from the 1958 season, lost to a power-laden Fitzgerald unit, 33-20, initiating the 1959 football campaign. Hazel Park caught short, 14-13, at the half rallied with Frank Stagg picking up a fumble and racing 40 yards to Viking paydirt. A recovered fumble in the end zone by Frank Smotherman couldn't sustain a second half Spartan barrage despite a 10 yard touchdown

Richard Golinski(12) had a clear field to go all the way for another Viking TD.

pass from Richard Gyde to Tony Palise.

Turning back Pontiac Northern, 14-12, on Richard Golinski's two-yard effort in the last 45 seconds of play ended the nine game losing streak.

Birmingham, hosting the Vikings, found our squad playing one of its better games but still losing, 28-13. Highlighting the HP attack were a four-yard off-tackle jaunt by Richard Gyde and a bulldozing five-yard thrust by Tony Palise.

Although the excitement of our fourth annual Homecoming filled the air, the Kimball Knights defeated our Vikings 12-0. After moving 80 yards down field, HP was assessed penalties and plagued by injuries to Bob Fulcher and Chester Grant.

The Vikings then turned around and proceeded to spoil East Detroit's homecoming, 20-18, with the aid of a Gyde to Fulcher TD pass, Jim Zeiter's 10-yard TD run and Golinski's five-yard scoring jaunt.

Mount Clemens taking advantage of HP fumbles bested the Vikings, 13-7. The only scoring for HP was a 10-yard Gyde to Stagg TD pass.

Despite Fulcher's 11-yard TD catch, Port Huron set the Vikings back, 25-7, making the record 2-5 for our varsity unit. Arch rival Ferndale undefeated in league action came to Hazel Park only to be greeted by a mud-soaked field and rain. The game was a squeaker and Ferndale took the contest, 20-19, Frank Stagg scored all the HP points.

Post season honors won by HP Varsity-men were: All South Oakland County quarterback Richard Gyde; honorable mention EML, and All-State honorable mention tackle Norm Parker; honorable mention SOC, All-State honorable mention and All-EML team end Bob Fulcher; honorable mention EML center Sid Suo and guard Jack Hocking.

Despite Jerry Kovacs' 80-yard touchdown sprint, Hazel Park's sophomore team initiated the season with a 12-6 loss to Ferndale, but the disgruntled Vikings came back to "cut down" the Maples from Birmingham, 19-6, on a third quarter sprint by Dave Robbins and freshman Cal Wilkinson's 20-yard touchdown run. Hazel Park halfback Tom Althouse then iced the game with a five-yard touchdown scamper.

The Vikings, "jousting" with the Knights from Kimball, couldn't hang on to the pigskin as Hazel Park fumbled to a 28-6 defeat. In the next encounter East Detroit "missiled" the Viking unit, 37-21, in an aerial field day. Being "zeroed in" by Royal Oak Dondero, 40-0, Mount Clemens 6-0, and Port Huron, 25-0, Hazel Park closed out its 1-6 season. Leading scorer was Dave Robbins with 18 points.

"Ah, sweet smell of success!" was well to be said of HP's Cross Country men, who were undefeated in 1959 dual meet competition. Berkley fell first to the HP harriers, 22-37. Birmingham Seaholm, undefeated in dual meet competition for six years, bowed to the fleet-footed Vikings, 24-32. HP then turned back East Detroit and Port Huron, 24-33 and 22-33 respectively and took on the Southfield harriers, 22-33. Arch rival Ferndale couldn't hold the Vikings as HP romped, 21-34, and finally Mount Clemens trailed the HP runners to a score of 20-42, thus giving HP one of the greatest records in the history of the school. Under the guidance of Cross Country Coach, Mr. Jack Boughton, the team finished undefeated in dual meets, Eastern Michigan League dual champs, scored 68 points and took third place of 14 in the Thurston Invationals, took second out of six teams in the EML meets and fifth of 14 teams in the Regional meet.

With all these team honors prevailing HP also notched some distinguished individual honors such as medals to Captain Bob Bowman, Bill Boldt, Richard Osborne, Carson Smith and honor ribbons to Dan Cannon, Bob Merchel and Chuck Cates, which were won at the Thurston Invationals.

Varsity swimmers tried with team spirit

The last leg of the medley relay team jumps off in this close Birmingham meet.

While swimming in their last season at old Hazel Park High School, the Vikings could only muster up a 3-11 season, with victories over Warren, Utica, and Eastern Michigan League rival, Ferndale. The Vikings lost only two men through mid-year graduation, Jim Brown and Doug Bortnem, but they were two of Coach Richard Moseley's better swimmers. Jim left with 13 firsts in eight meets and Doug Bortnem with six. Dick Osborn finished the season with 103 points and 15 firsts, while Captain Dave Romanski had 67 points with six firsts. Dick was the only HPHS tankman to qualify for the State Meet.

HP cagers won their first District Championship

As the crowd shouts.... "And the score goes up another notch!" Bruce Daniel jumps high for two points in the Mt. Clemens. game.

In Coach John Magiera's first attempt at Hazel Park Varsity basketball, he brought the team up from the previous season's record of 1-15 to 1959-60's record of 3-13.

The only EML victory came, as in football, over East Detroit in the last game of the regular season. The Vikings' two other victories came early in the season against Cranbrook and Pontiac Northern. In what would have been one of the greatest upsets for Hazel Park was the Royal Oak Dondero game in which the Vikings came from a 7 point deficit to tie the game at 59 all at the end of regular play, only to lose, 66-62, in overtime. High scorer of the season was Jim Zeiter with 204 points for a 12.7 average. Second was Bill Boldt with 192 for a 12 point average and Bob Fulcher was a close third with 190 for a 12.6 average for 15 games.

The Vikings then moved into the post season tournament and fashioned an overtime 45-42 win over Warren High School. Then HP climaxed an otherwise poor season by winning the District Championship with a win over Lincoln of Warren, 52-49; however Ferndale High School stopped the win streak by taking a 56-45 game in the regional opener.

Winning touch eluded Frosh, Reserves

Having troubles finding the winning touch was the problem faced by both the Reserve and Freshmen basketball squads. In his first year as Reserve coach, Mr. L. Gadzinski saw his team fall to a 0-16 record. Having similar troubles was Frosh Coach C. Mikulas who saw his squad go winless in eleven games.

Wrestling team had a good season

Regional honors went to these four wrestlers which qualified them for state championship competition. In the regionals, Jerry Cunningham finished second in the 103 pound division; Frank Stagg took a fourth in the 180 lbs; Tony Licata was second in the 112 pound division, and Norm Parker also finished second in 165 lbs.

Initiating the 1959-60 season with a 30-18 loss to Farmington, the Vikings defended their mat prestige by bouncing Southfield, 30-16. Sophomores Jerry Cunningham, 103 pounds, and team captain, Bob Ferguson, 154 pounds, capped the Viking pins while juniors Terry Henderson, Carson Smith, and seniors Jack Wilson, Norm Parker, and George Goovert managed the HP decisions.

Venturing to foreign mats at Allen Park, HP notched a thrilling last-minute victory as our flexible sophomore, Frank Stagg, wrestling in his bare feet, managed a needed heavyweight decision.

Engaging in a battle with Pontiac Northern, our Vikings came on the short end of a 32-17 score. With our record at 2-2, East Detroit proved generous hosts in handing our grapplers a 41-13 wrestling victory.

Riding high on their victory conquests, the Vikings invaded Cranbrook and pocketed a 35-11 victory which saw the brother act of Ed Duncan, 95 pound freshman, notch a decision, and junior, Willie Duncan, 120 pounds, take a fall.

Norm Parker received a ribbon for taking a second in the Regional tournament.

Pontiac Central, marching to HP ground, retreated to Pontiac suffering with a 30-17 Hazel Park wound, while Norm Parker retained a seven dual meet victory streak in his 165 pound division. Powerhouse Thurston snapped our winning streak 34-16 and cut short Norm Parkers hope of an undefeated season.

Rival Berkley attacking the weakened Vikings, couldn't hold down HP's spirit as the Hazel Parkers snatched a 24-23 win via "warrior" Frank Stagg's thrilling last chance pin.

Falling beneath State favorites Ypsilanti's blow, 49-3, HP clinched the unofficial EML flag by pinching Port Huron, 27-23.

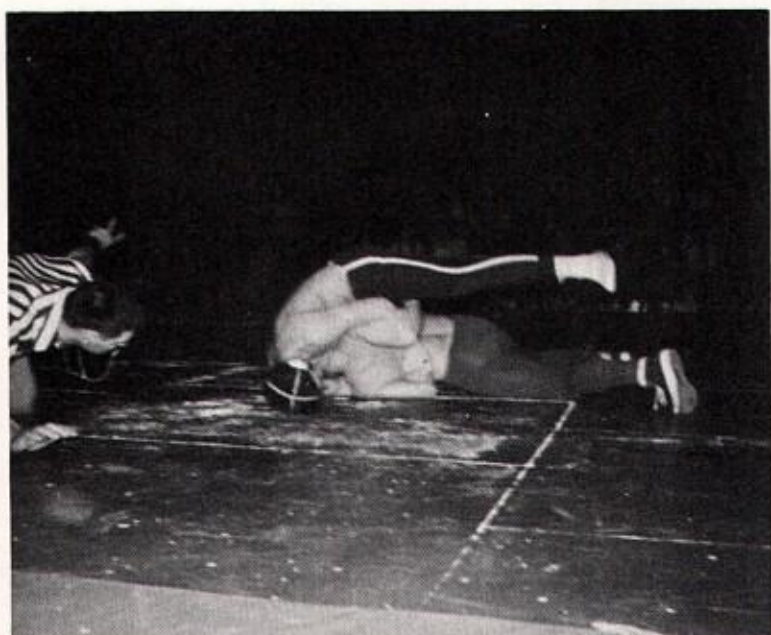

Fitzgerald, crosstown rivals, under the mentorship of former HP wrestling great, Steve Zervas, nosed out a "weakened" Viking outfit, 22-20. HP, closing the home mat history in the "old high school" downed River Rouge, 32-16, and ended a successful 8-5 season.

In Regional competition, HP tied Port Huron for seventh place in the 23 team race as seniors Tony Licata fashioned a second place in the 112 pound division and Norm Parker also capping a 165 pound second place. Taking a 103 pound second place was Jerry Cunningham while Stagg managed a fourth in the 180 pound division.

HP's reserve wrestlers went undefeated in their seven dual meet card and aided the Varsity in filling in for an often ailing team.

Girls Athletic Association

GAA CABINET - *Front Row:* J. Bradley, S. Dorman, (Recording Secretary), J. Engelman (President), C. Woodward (Vice-president), L. Henry (Treasurer), S. Letcher (Point Recorder), *Standing:* D. Goodney, N. Dorman, S. Walle, F. Flowers, S. Earl, C. Engelman, D. Westheuser.

Becoming a member of the Girls Athletic Association wasn't easy, but the girls thought if something is really good, it was worth working for.

Each member of G.A.A. had to put in 125 hours of athletic activity which equaled 5 points to become a full fledged member. The way in which they would get these points was working in any one of the four divisional groups of G.A.A.

Teams sports offered volleyball, basketball, and softball, which began in the spring.

The Iota Delta gave the girls a chance to do some tumbling, bowling, and play badminton.

Advisors for GAA are Mrs. D. Skomski and Miss M. Smith.

SWAN CLUB - *Front Row:* J. McKinnon, D. White, S. Letcher, C. Woodward, C. LaCross. *Row 2:* A. Mitchell, J. Shribbs, N. Koester, B. Schuyler, D. Westheuser, . *Sitting on Board:* E. Dyker, S. Holten, S. Hagg, E. Scalet, M. Kovacs, F. Flowers, L. Rolfe, S. Walle, C. Boreland.

Swan Club consisted of mostly the girls who went out for synchronized swimming and those who wanted to take part in the annual Swan Club Show which was presented in April.

Viking Fins displayed the talents of the skilled speed swimmers when competing against various schools.

This year the members were represented at the E.M.L. Conference at Port Huron by their president, Judy Engelman. The girls looked forward to attending the state wide G.A.A. Camp.

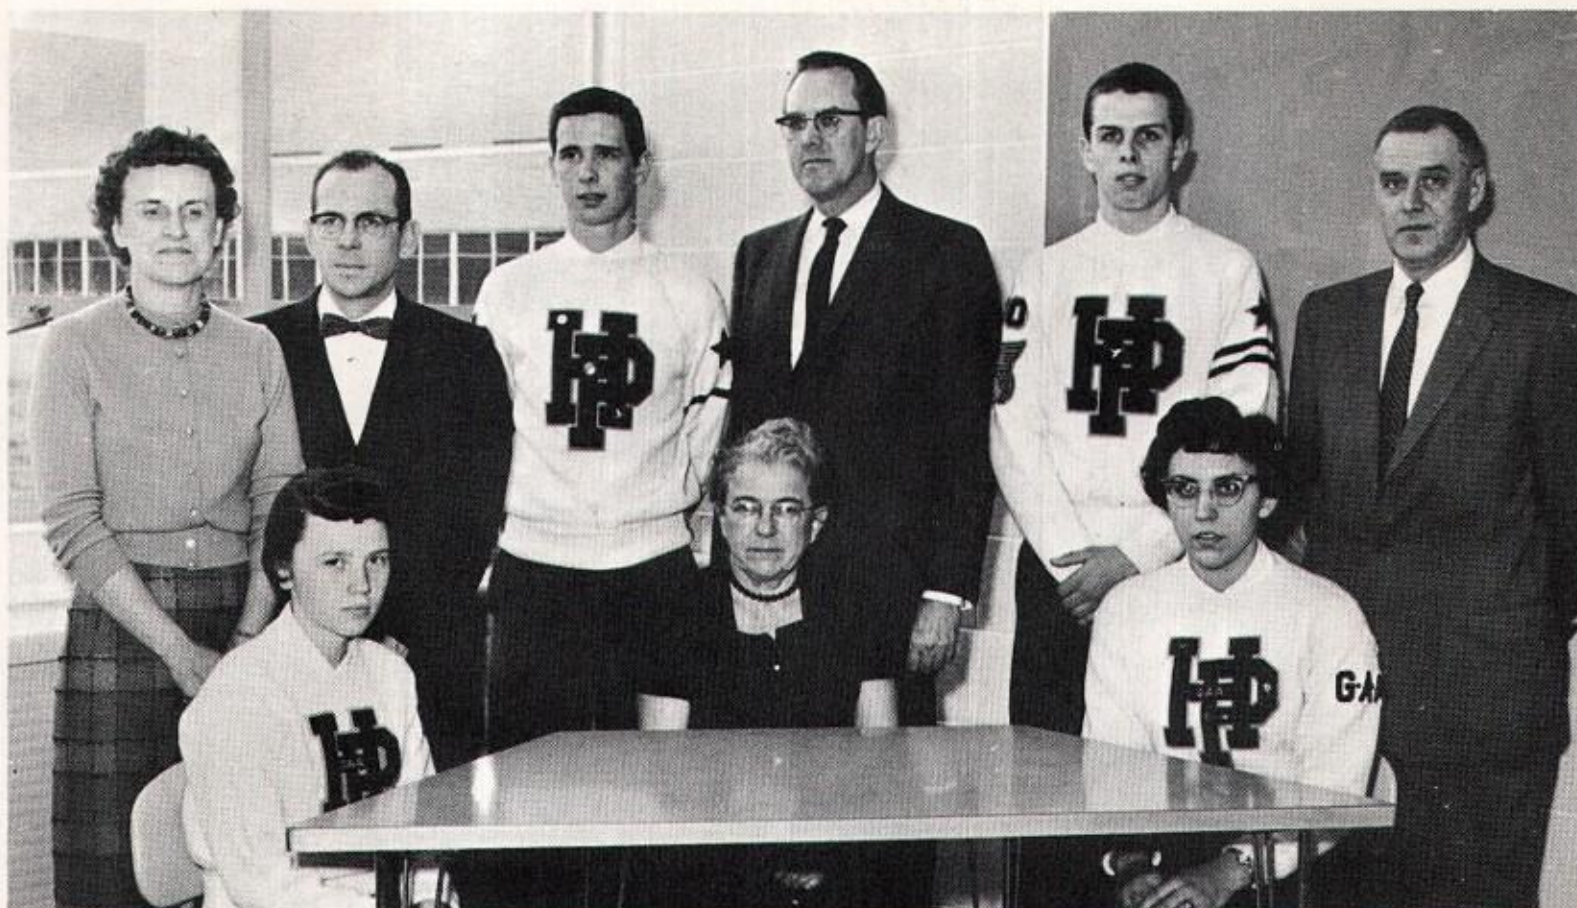

VIKING FINS - *Front Row:* D. Westheuser, L. Bowen, S. Earl, L. Napier, S. Howey, B. Churchill, C. Woodward. *Row 2:* S. Letcher B. Schuyler, G. Saulitis, M. Steele, S. Priest, F. Ryder, E. Dyker. *Row 3:* S. Walle, C. LaCross, R. Roy, J. McKinnon.

ATHLETIC BOARD OF CONTROL—*Front Row:* L. Bowen, Mrs. B. Schoening, C. Woodward. *Back Row:* Miss E. Blakely, Mr. M. Smith, B. Boldt, Dr. E. H. Miller, R. Gyde, Mr. D. Lutkus.

"Spirit, service, sportsmanship" was the Hazel Park High School Varsity Club's motto. These were not only the basic attitudes of Varsity club members, but it also exemplifies the quality of its duties.

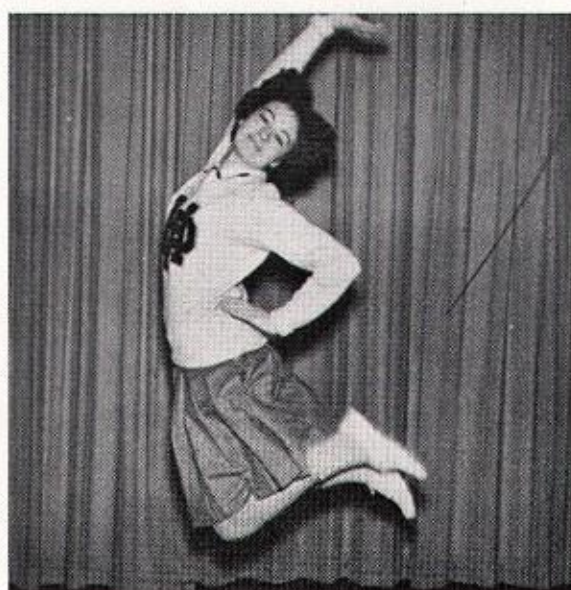

Many times the Varsity Club had voluntarily performed services such as: providing escorts for our Homecoming Queen Candidates in October, helping the Hazel Park Businessmen's Association with their Children's Christmas party at Lacey, selling Goodfellow papers throughout the city for needy families, and providing moving of equipment service to our new high school.

VARSITY CLUB—*Row 1:* T. Book, B. Boldt, C. Smith, R. Gyde, C. Grant, N. Parker, R. Osborn. *Row 2:* B. Martz, T. Sipila, T. Jankowski, R. Golinski, G. Goovert, B. Fulcher, J. Switzer, T. Palise. *Row 3:* B. Kettlewell, J. Fouts, R. Jennings, R. Keast, R. Stafford, P. Mahanes, R. Goovert, J. LaLone, Mr. R. Sampson (adviser).

THE STUDENTS AND BUSINESSMEN WORKED TOGETHER TO MAKE A BETTER COMMUNITY

Supplying the community with the necessary high quality products and participating in projects to further progress in the school was another example of cooperation in our city.

Advertising in the school publications and various programs provided the incentive to students to work on many projects which would benefit both parties.

The advertisers in the following pages have shown their interest in our school through their patronage, and we too show our interest in our community through our patronage.

Through this give and take system we have found that the school, the businessmen, and the community all profit.

"There's a girl I'd like to know"

"She has so much poise and confidence—I'll bet she works for the telephone company. Those girls are so attractive and have such friendly, pleasant manners."

They're talking about Lucy, who started working for Michigan Bell right out of high school. She was trained by friendly, understanding supervisors and today she's proud of her work; enjoys a fine salary, regular wage increases, and many new friends.

Lucy was delighted from the very first by the clean, pleasant surroundings, by the regularly scheduled mid-morning and midafternoon "breaks" for relaxing in comfortable lounge rooms, and by the opportunities for advancement.

Isn't that the kind of job *you* want? Then why not get in touch with us now? We'll be happy to tell you more about the variety of interesting telephone jobs available to high school graduates.

ELECTRICALLY *Are you coming back for more education?*

Getting a job? Establishing a home? What's all this got to do with electricity?

Just this: Whatever the future brings you, electricity will be there to help.

For right now we are entering a whole new era of electric living. The home you start will be easier to take care of, more fun to live in, with help from electric appliances. Complete electric home heating, practical and convenient, is growing every day. Your job will be smoother, too, with electrically operated equipment and an increasing array of electronic devices. Even your education benefits from continuing research in many fields related to electricity. One day, you personally may help to create new and better ways to do things electrically.

So no matter who you are, where you are or what you're doing, your future will continue to be brighter, your life will be lighter through electricity.

Lois,
To a real sweet
girl who I've always
enjoyed having lunch
with. You are a real
blast and a half. Lots
of ~~love~~ to you in
the future.
Nancy

Lois
To a nice girl
may God bless you
in every thing you
do Good Luck in
H.P.H.S. Sue Hill

To Lois
To a real
fine girl
with a great
character.

Lois
To one of
my very good
friends. I hope
you have many
happy years
full of good
things. Keep
your spark-
ling personality
for it is your
proudest posses-
sion. I hope
we have better
luck next
year and get
classes togeth-
er. Be good
and come over.
When I get
the car I'll
be over.
